This book synthesizes current literature and research on scientific inquiry and the nature of science in K-12 instruction. Its presentation of the distinctions and overlaps of inquiry and nature of science as instructional outcomes are unique in contemporary literature.

Researchers and teachers will find the text interesting as it carefully explores the subtleties and challenges of designing curriculum and instruction for integrating inquiry and nature of science. "In this Caldecott Medal winner, Mosquito tells a story that causes a jungle disaster. "Elegance has become the Dillons' hallmark. . . . Matching the art is Aardema's uniquely onomatopoeic text . . . An impressive showpiece." -Booklist, starred review. Winner of Caldecott Medal in 1976 and the Brooklyn Art Books for Children Award in 1977. Want to try reader's theater but don't know where to start? Or have you tried it but want to find ways to bring it more to life? Or are you just looking for a fun, easy way to lure young people into reading fluency, cooperative effort, effective communication, and love of literature? "Readers on Stage" is a collection of resources for scripting, directing, and teaching reader's theater, primarily to ages 8 and up. Part 1 offers three sample scripts to learn from and enjoy: "The Legend of Lightning Larry," "Peddler Polly and the Story Stealer," and "The Baker's Dozen." Part 2 highlights each major aspect of reader's theater -- scripting, staging, and dramatic reading -- offering tips and tricks you're not likely to find elsewhere. For instance, you'll learn how young readers can easily create their own scripts Part 3 provides all the plans, notes, handouts, and worksheets from actual reader's theater workshops, ready for copying. Use them to start with reader's theater tomorrow in a classroom or library, or to lead your own workshop for adults. Finally, Part 4 gives listings of additional resources. Whether you're working with young readers, training teachers, or directing a professional company, you'll want this unique, detailed guide. // Aaron Shepard is the award-winning author of numerous children's books and magazine stories, as well as three books on reader's theater, "Stories on Stage," "Folktales on Stage," and "Readers on Stage." He spent five years as a professional actor in reader's theater, performing in schools and conducting workshops for teachers, librarians, and students. He now hosts Aaron Shepard's RT Page, the Web's most popular reader's theater destination, with visits by thousands of teachers and librarians each week. // "At last If you've been looking for a complete resource for teaching and using readers theatre, look no further. From scripts, to implementation strategies, to materials for workshops, Readers on Stage has it all. Aaron Shepard draws upon decades of work to provide a practical, well-organized, and reader-friendly book. Don't miss it " -- Dr. Suzanne Barchers, author, Readers Theatre for Beginning Readers, and publisher, Storycart Press "For more than a decade, Aaron Shepard has been recognized nationally as an innovative, skilled, highly successful practitioner of readers theatre with emphasis on support of literature

and reading, especially for teachers at elementary and middle-school levels. His latest book gives concise, clear, and practical tips for scriptmaking and staging, along with useful scripts and work materials." -- Dr. William Adams, Director, Institute for Readers Theatre "Readers on Stage is an outstanding resource for teachers. It is arranged so sensibly and cohesively that I cannot imagine anyone who uses it having a problem teaching the intricacies of reader's theater." -- Susan Finney, author, Keep the Rest of the Class Reading and Writing While You Teach Small Groups "Aaron Shepard does it again . . . In Shepard's familiar lighthearted style, Readers On Stage distills the world of RT into a highly readable manual for educators and instructors at all levels of the K-12 spectrum. Community theatre folks who take the time to peruse the pages will gain a greater understanding and appreciation of RT as theatre." -- R. Demers, Readers Theatre Digest, Fall 2004 The basics of pantomime, improvisation, voice control, monologues and dialogues presented in game formats with exercises and work sheets. As an entrepreneur or innovator, you're trained to run fast. But are you running in the right direction? Choosing the right market for your innovation is the biggest, and trickiest, question for innovators. Research has shown that all too often entrepreneurs don't spend enough time identifying and researching their market opportunities - instead they jump at the first opportunity that looks good, and fail to properly evaluate and leverage other opportunities. These common mistakes means that you often choose the wrong market or lock yourself into one specific direction. Where to Play helps you to set a promising strategy, by giving a clear, structured and practical framework - the Market Opportunity Navigator- to better identify, evaluate and focus on the right market opportunities. With three dedicated and reusable worksheets covering: - Market Opportunity Set - assess your core strengths and identify which market opportunities exist for your business - Attractiveness Map - evaluate your market opportunities to reveal the most attractive option for focus - Agile Focus Strategy - create a strategic plan for your chosen market opportunity that keeps you open-minded and agile Get the most value for your innovation with Where to Play! 'Designed to work seamlessly with our Business Model and Value Proposition Canvases, the Market Opportunity Navigator, proposed by Marc and Sharon, will help entrepreneurs and innovators to commercialise technologies. You will enjoy discovering highly practical worksheets, maps and dartboards of tremendous interest if you want to better identify, evaluate and strategise market opportunities. Let yourself be charmed by the toolkit and the case studies, along with the thoughts of Marc and Sharon.' Alex Osterwalder and Yves Pigneur, authors of the bestseller Business Model Generation 'When two internationally-known experts in entrepreneurship write a "how to" book on market opportunities for entrepreneurs, it is bound to be a very valuable book indeed. Marc Gruber and Sharon Tal have created just the right book for first-time and experienced entrepreneurs. It contains both step-by-step plans and very valuable tips on identifying market opportunities - an invaluable complement to both the Lean Start-up Process and the

Business Model Canvas!' Eric von Hippel, T. Wilson Professor of Innovation, MIT Sloan School of Management 'Gruber and Tal have crafted a visually exciting way for entrepreneurs to identify and analyse their opportunities, before they dive into execution. This book pairs nicely with the Business Model Canvas and Lean Startup. Best of all, it also tells you how to focus, and what NOT to do!' Henry Chesbrough, UC Berkeley Haas School of Business and author of Open Innovation 'From entrepreneurship thought leaders comes this innovative step-by-step guide to thinking through the market essentials of an opportunity. Rather than relying on generic examples or others' stories, the authors put the reader in the driver's seat by encouraging him or her to generate, evaluate and prepare to act on their own opportunities. I can't think of a more practically useful entrepreneurship book.' Dean A. Shepherd, Ray and Milann Siegfried Professor of Entrepreneurship, Mendoza College of Business, Notre Dame University 'Using thoughtful research and compelling examples, Where to Play provides important guidance on how to balance focus and flexibility when launching a new venture. It builds on the Lean Startup model by providing meaningful insights on what markets to address first.' Tina Seelig, Professor of the Practice, Stanford School of Engineering 'Where to Play attacks head-on one of the most difficult questions any aspiring entrepreneur must answer: "Which target market should I serve?". It's visual, easy-to-apply, and full of common-sense. If I were starting a business today, I wouldn't leave the starting blocks without it!' John Mullins, Professor, London Business School; best selling authors, The New Business Road Test and The Customer-Funded Business This unique Library gives teachers and specialists a stimulating, systematic way to develop positive social behaviors in students of all abilities, grades 4-12. Included are over 125 tested lessons and reproducible worksheets in two separately printed, self-contained volumes, each tailored to the developmental needs of students at a particular grade level, 4-6 or 7-12. For easy use, the lessons in each volume follow a uniform format, including titles, behavioral objective, and simple 8-step lesson plan. The lesson activities and worksheets are based on real-life situations and help build students' self-esteem, self-control, and respect for the rights of others. Supports students in their language learning by promoting the active use of Spanish in the classroom. This hands-on, practical guide for ESL/EFL teachers and teacher educators outlines,

staging, along with useful scripts and work materials." -- Dr. William Adams, Director, Institute for Readers Theatre In this newly revised second edition, veteran stage designers and technical directors Dennis Dorn and Mark Shanda introduce industry-standard drafting and designing practices with step-by-step discussions, illustrations, worksheets, and problems to help students develop and refine drafting and other related skills needed for entertainment set production work. By incorporating the foundational principles of both hand- and computer-drafting approaches throughout the entire book, the authors illustrate how to create clear and detailed drawings that advance the production process. Early chapters focus on the basics of geometric constructions, orthographic techniques, soft-line sketching applications, lettering, and dimensioning. Later chapters discuss real-life applications of production drawing and ancillary skills such as time and material estimation and shop-drawing nomenclature. Two chapters detail a series of design and shop drawings required to mount a specific design project, providing a guided path through both phases of the design/construction process. Most chapters conclude with one or more worksheets or problems that provide readers with an opportunity to test their understanding of the material presented. The authors' discussion of universal CAD principles throughout the manuscript provides a valuable foundation that can be used in any computer-based design, regardless of the software. Dorn and Shanda treat the computer as another drawing tool, like the pencil or T-square, but one that can help a knowledgeable drafter potentially increase personal productivity and accuracy when compared to traditional hand-drafting techniques. Drafting for the Theatre, second edition assembles in one book all the principal types of drawings, techniques, and conventional wisdom necessary for the production of scenic drafting, design, and shop drawings. It is richly illustrated with numerous production examples and is fully indexed to assist students and technicians in finding important information. It is structured to support a college-level course in drafting, but will also serve as a handy reference for the working theatre professional. This popular series gives teachers practical advice and guidance, along with resource ideas and materials for the classroom. The tasks and activities are clearly presented, and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring, and follow-up activities. Each book offers up to 100 ideas, as well as variations that encourage teachers to adapt the activities to suite their individual classrooms. Sixteen-year-old Maggie's fears about making friends as an incoming senior at an exclusive New York City girls school are allayed when she is invited to join an elite secret society devoted to eavesdropping and recording the "truth" about students and faculty. Die Reihe Explorations bietet Lehrkräften in der Sekundarstufe II kompetentes, hochwertiges und evaluiertes Material für den Englischunterricht. Der Band Classics of American Drama konzentriert sich auf drei der wichtigsten Dramatiker der amerikanischen Bühne und stellt jeweils ein zentrales Werk in den Mittelpunkt: Tennessee Williams' "A Streetcar Named Desire", Arthur Millers "Death of a Salesman" und Edward Albees "Who's

Afraid of Virginia Woolf?". Alle drei ausgewählten Stücke sind Klassiker des amerikanischen Dramas und auch klassische Schullektüren für die Sekundarstufe II, die in den letzten Jahren eine Renaissance auf der Bühne erleben und immer wieder neu inszeniert werden. Die Arbeitsblätter bieten vielfältige bewährte methodische Ansätze der Textinterpretation und des Textzugangs: Erarbeiten von Figurenkonstellationen und Rolleninterpretationen, Erstellen von summaries und theatre reviews, Internetrecherche, Diskussionen, Rollenspiele und Sprachanalyse. Neben dem Textverständnis wird besonderer Wert auf den Bereich der Medienkompetenz gelegt, wozu vor allem die verschiedenen Filmversionen zu den einzelnen Texten herangezogen und mit ihrer Vorlage verglichen werden. A tense, exciting thriller combined with a perceptive and harrowing portrait of life on the streets as a serial killer preys on the young and vulnerable homeless. 17-year-old Link is distrustful of people until he pairs up with Deb, homeless like him. But what Deb doesn't tell him is that she's an ambitious young journalist on a self-imposed assignment to track down the killer and that she's prepared to use herself as bait ... Winner of the Carnegie Medal The three billy goats outsmart the hungry troll who lives under the bridge. Educational book on speech and drama, aimed at teachers of children aged 3 to 8 years. Contains teacher notes, theory, worksheets, exercises, short plays and poems. Illustrated. By popular demand, we offer a follow-up book of theatre games specifically for young acting students. Written especially for those who coach adolescent actors, this delightfully fresh updated workbook tells you how, when, what and why of theatre games for young performers. Starter scenes allow first-time performers to ease onto the stage in baby steps. Spontaneity is encouraged along with etiquette and basic acting principles. The concept of pantomime, improvisation, character development, voice and body control are all presented in game format with exercises. Anyone working with young actors in schools or recreational centres will find the book exceptionally helpful. Offers activities, strategies, and creative ideas for using nonsense rhymes, songs, chants, and folk literature to promote thinking, reading, and listening skills in young learners. Since its publication in 2008, Exhibit Makeovers has been a useful do-it-yourself handbook for museum staff and volunteers. Exhibit Makeovers is a workbook that provides grounding in interpretive principles, how-to-advice, step-by-step guidance, and moral support for in-house exhibit planning and design. The revised and expanded 2nd edition preserves the supportive tone and easy-to-follow steps that make the original Exhibit Makeovers so user-friendly. Significant revisions—especially in the technology arena—and additions make this new edition a must-have addition to any museum's toolkit: • New emphasis on visitor input, with step-by-step guidelines for evaluation studies during planning and design. • New text and worksheets to guide development of interactives, and ensure varied levels of visitor participation. • Focus on affordable software to help with exhibit planning and design, as well as low- cost technologies that can vary and deepen the visitor experience. • Brand-new chapters on exhibit design, production, and installation, written by the experienced

team responsible for in-house exhibits at a thriving, mid-size museum. Following the same pattern as the 2008 original, the revised Exhibit Makeovers guides users through step-by-step processes of a single-case makeover, development of a new exhibit, and renovation/renewal of an entire gallery or museum. Parables of the Kingdom is a language arts curricular unit on the New Testament Parables for seventh grade and up. The unit correlates to state standards and outcomes and the curriculum calendar provides over 30 hours of content material. Each session is accommodated with a full lesson plan, as well as the accompanying worksheets and keys. The narrative unit investigates the parables as literature, and provides historic critical and sociological background of the text. This unit is based on best practices in teaching and learning, and it is enriched by socratic circles, story-maps, role plays as well as relevant reading and writing assignments, and creative, productive projects.
