[Earth is Your Sweet Spot](#) Apr 28 2020 In Earth Is Your Sweet Spot

authors Ellae Elinwood and Dr. Mary Lanier invite all women to the work of their lifetime: transforming themselves and our world. This inspiring little book gently guides the women of the world to connect to their ultimate source of balance and renewal: Mother Earth. By connecting to Earth and remembering and appreciating her, each woman can activate her highest potential and enjoy a more balanced life. The book invites each woman to help heal the Earth in her own unique way, as well as inviting them to intentionally choose to be a creative female leader in her own personal sphere of influence. Earth Is Your Sweet Spot provides inspiration through the authors' rich language and practical advice in the form of exercises for visualizations, breathing, Qi Gong movements, and other easy-to-implement actions for personal growth.

The Dearest Spot on Earth (Classic Reprint) Jan 18 2022 Excerpt from The Dearest Spot on Earth Home, Sweet Home How did the world live without it so long What immeasurable solace and sweetness it has added to life during these last seventy-five years! Looked at from this distance, Clari, or the Maid of Milan, of which the song was a part, was a divinely inspired opera. Home, Sweet Home is a language of itself. It is a kind of Esperanto of the soul in which men, strangers to each other, may unite in common worship, he of the cottage and he of the palace, each kneeling at the shrine set up in his own hallowed memory. It is one of those songs that help to make democracy. Its passion is a common one, recognizing neither border, nor breed, nor birth. Let our country sing it more and more! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Dearest Spot on Earth May 22 2022

The Dearest Spot on Earth Mar 08 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this

work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
