By utilizing the resources of America's premier newspaper, The New York Times Guide is now widely recognized as the most complete and reliable source of information on what to see and do in New York City. Sightseeing: Writers who live and work here tell you what you need to know about all of New York's legendary landmarks, as well as how to get around this great city--from walking tours of famous neighborhoods to hailing a cab or taking the subways. Plus plenty of maps. Restaurants: The most respected reviewers in town--William Grimes and Eric Asimov--tell you where to find the city's best restaurants as they guide you through more than 350 of them, from four-star temples of food to great inexpensive neighborhood eateries. Hotels: Detailed reviews of more than 100 hotels in every price range, including options in every Manhattan neighborhood and the best airport options. No other guide can match this coverage. Shopping: More than 40 pages of information on stores, boutiques and markets, with a special feature on tracking down bargains all over town. There's even an insider's guide to finding antiques. Theater, Art and Music: Broadway! Lincoln Center! Carnegie Hall! Top Times critics--Ben Brantley on theater, Michael Kimmelman on art, Anna Kisselgoff on dance, and Bernard Holland and Anthony Tommasini on music--tell you all you need to know about New York's rich cultural life. Plus Grace Glueck helps you locate the most important art galleries. Nightlife: Want to find a cozy little bar for a nightcap? Looking for a romantic evening of cabaret or a rowdy night of dancing? You'll find descriptions of hundreds of bars and clubs throughout the city, from elegant hotel haunts to the deepest dives. New York for Children: Laurel Graeber of the Times explores great places for kids--and there are many more than you think. The Neighborhoods: Find out what's going on in Manhattan--Brooklyn, Queens, the Bronx and Staten Island, too--as

well as which restaurants are your best bets in each borough. a sympathetic coming-of-age story... Cherie's romantic misadventures are relatable throughout, reflecting the experiences of co-eds experiencing their first brushes with adult love. An often cynical look at college years and romance, *The Torch Bearers Exorcism* is a cautionary tale about getting too swept up in what looks like love. Clarion Foreword Review *The Torch Bearers Exorcism* starts at the close of the 1980s. Cherie is an unusually private and guarded girl with a nonconforming sense of style and a habit of constantly doubting everything around her. When she meets David during her first week on campus her emotions go into overdrive. He's exactly what she would have asked for if it were possible to wish people into existence. They seem to be two sides of a coin. But does he actually care about her? David is an outgoing, attractive and popular guy with rather a lot more experience in the world than ingenu Cherie. Swept up by passion, subterfuge, confusion and magnetism; Cherie must untangle what she feels and whether she can believe his love for her is real. This is a story about painful love, being a young woman in a less egalitarian time, betrayal and overcoming it. About learning the hard way that people aren't always what they seem or what we hoped they would be. About healing and growing into independence. <http://www.torchbearersexorcism.com/> Provides information on 2,500 jobs organized within major career clusters and descriptions of each job. Drawing on previously untapped archival materials including letters, interviews, and more, Bernard F. Dick traces the history of Columbia Pictures, from its beginnings as the CBC Film Sales Company, through the regimes of Harry Cohn and his successors, and ending with a vivid portrait of today's corporate Hollywood. The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday, a discussion of Columbia's unique brands of screwball comedy and film noir, and analyses of such classics as *The Awful Truth*, *Born Yesterday*, and *From Here to Eternity*. Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class, and the stars, films, genres, writers, producers, and

directors responsible for its transformation. A new essay on Quentin Tarantino's *Once Upon a Time...in Hollywood* rounds out the collection and brings this seminal studio history into the 21st century. Amply illustrated with film stills and photos of stars and studio heads, *Columbia Pictures* is the first book to integrate history with criticism of a single studio, and is ideal for film lovers and scholars alike. *GameAxis Unwired* is a magazine dedicated to bring you the latest news, previews, reviews and events around the world and close to you. Every month rain or shine, our team of dedicated editors (and hardcore gamers!) put themselves in the line of fire to bring you news, previews and other things you will want to know. Mike Watkins thinks about a question that bothers him like a pesky fly buzzing inside his head. Why would a guy who spent a good part of his life climbing around on a mountain suddenly fall off a cliff? Unfortunately, he and his cousin, William, must start their vacation by attending the funeral of his grandfather's ranch foreman. A mysterious shaman also attends and warns people to beware of the white wolf. The boys find a map in the foreman's room taken from a library book that tells of a historic bank robbery. They decide to follow the clues in the map to Lookout Mountain where the robbers hid the stolen gold coins. Unfortunately, someone else has the same idea. William is kidnapped and the boys' copy of the map is stolen. With the help of Karana, an Indian neighbor, Mike locates the secret entrance to the cave where the coins were taken. It is the home of the great white wolf and a place of worship for the Indians that reside near there. Mike finds William, and they discover the coins in a room among the skeletons of the robbers who became trapped there many years before. Roscoe, the librarian, appears as the one who wants the treasure for himself. The shaman and wolf arrive on the scene. They tell Roscoe the gold is cursed and cannot leave the cave, but Roscoe doesn't care. Can he be stopped from claiming the treasure? What will happen to Mike and William? More than just a biography or discography, this work is a thoroughly detailed guide to every known recording of the legendary British rock band The Who—their entire range, from their early hits of the 1960s through the ambitious concept works

to their later successes. Many previously uncovered facts are incorporated into the text, and the author has been able to glean exclusive information from The Who's archives. Unrealized Who projects are discussed and analyzed for the first time in print. Finally, the work contains a discography of CDs and an exhaustive appendix of every known Who song. For nearly half a century, Roger Ebert's wide knowledge, keen judgment, prodigious energy, and sharp sense of humor made him America's most renowned and beloved film critic. From Ebert's Pulitzer Prize to his star on the Hollywood Walk of Fame, from his astonishing output of daily reviews to his pioneering work on television with Gene Siskel, his was a career in cinema criticism without peer. Arriving fifty years after Ebert published his first film review in 1967, this second edition of *Awake in the Dark* collects Ebert's essential writings into a single, irresistible volume. Featuring new Top Ten Lists and reviews of the years' finest films through 2012, this edition allows both fans and film buffs to bask in the best of an extraordinary lifetime's work. Including reviews from *The Godfather* to *GoodFellas* and interviews with everyone from Martin Scorsese to Meryl Streep, as well as showcasing some of Ebert's most admired essays—among them a moving appreciation of John Cassavetes and a loving tribute to the virtues of black-and-white films—Ebert's *Awake in the Dark* is a treasure trove not just for fans of this era-defining critic, but for anyone desiring a compulsively readable chronicle of the silver screen. Stretching from the dramatic rise of rebel Hollywood and the heyday of the auteur to the triumph of blockbuster films such as *Star Wars* and *Raiders of the Lost Ark*, to the indie revolution that is still with us today, *Awake in the Dark* reveals a writer whose exceptional intelligence and daily bursts of insight and enthusiasm helped shape the way we think about the movies. But more than this, *Awake in the Dark* is a celebration of Ebert's inimitable voice—a voice still cherished and missed. The gateways linking the great libraries of the world don't require a library card, but they do harbor incredible dangers. And it's not your normal bump-in-the-night kind. The threats Gia Kearns faces are the kind with sharp teeth and knifelike claws. The kind that include an evil wizard hell-

bent on taking her down. Gia can end his devious plan, but only if she recovers seven keys hidden throughout the world's most beautiful libraries. And then figures out exactly what to do with them. The last thing she needs is a distraction in the form of falling in love. But when an impossible evil is unleashed, love might be the only thing left to help Gia save the world.

The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths Will Morgan is a creature of habit—a low-budget insurance detective who walks to and from work with the flow of one-way traffic, and for whom imagination is a thing of the distant past. When a job opportunity enters the frame in the form of the mysterious Mr. Dinsdale—curator of the ever so slightly less-than-impressive Curioddity Museum—Will reluctantly accepts the task of finding a missing box of levity (the opposite of gravity). What he soon learns, however, is that there is another world out there—a world of magic we can only see by learning to un-look at things—and in this world there are people who want to close the Curioddity museum down. With the help of his eccentric new girlfriend Lucy, Will will do everything he can to deliver on his promise to help Mr. Dinsdale keep the Curioddity Museum in business. Curioddity is Paul Jenkins' debut novel... exciting, fast-paced, and uncanny. A must-read. At last - a dedicated summary of the 30 top dive sites around the United Arab Emirates. Covering both coastlines, all sites have suggested dive plans and informative, detailed illustrations: wreck dives even include a comprehensive history and the circumstance of loss. The Underwater Explorer is peppered with high quality photographs of local marine life taken on site. Written by avid divers who want to share their passion and local knowledge with others, the Underwater Explorer is a must for divers of all abilities looking to get the most out of their time in the UAE. Written by avid divers who want to share their passion and local knowledge with others, the Underwater Explorer is a must for divers of all abilities looking to get the most out of their time in the UAE. It contains: Details of over 30 dive sites; The low-down of when, where and how to go diving in the UAE; Quality underwater photographs;

Detailed drawings of the layout of sites; GPS coordinates for dive sites and harbours; An overview of the UAE to help visitors get their bearings; Dangerous marine life and first aid; Additional information, such as diving organisations, insurance, UAE law and the environment. For fans of Karen McManus' One of Us is Lying and films like I Know What You Did Last Summer, comes a gripping thriller about murder, mystery, and deception. Blackmail lures Ava to the abandoned amusement park on Portgrave Pier. She is one of ten teenagers, all with secrets they intend to protect whatever the cost. When fog and magic swallow the pier, the group find themselves cut off from the real world. As the teenagers turn on each other, Ava will have to face up to the secret that brought her to the pier and decide how far she's willing to go to survive. The teenagers have only their secrets to protect and each other to betray. Perfect for: 13-18 year-old mystery fans Fans of Karen McManus and Stephen King While Amber and her younger brother Stevie are playing in their grandparents' basement, they find an ancient mummified hand hidden behind a false wall. They learn quite by accident that this hand can make items like Grandpa's championship basketball and pinball machine disappear. While trying to make them reappear before Grandma discovers what they have done, Amber and Stevie realize the hand can make them disappear as well and reappear in a strange Egyptian world where statues come to life and where a handful of ruthless pirates have been stranded for hundreds of years. When a snooping neighbor boy gets hold of the gruesome hand, he panics and accidentally sends Amber and Stevie to this strange world with no possible way of getting back home. *New York for Children: fun family-friendly outings

Tom Poulos is looking forward to a summer of baseball. His team is in the City of Toronto Little League playoffs, and he has a feeling they can win the championship this year. But instead of playing catcher for the Jarvis Badgers, Tom finds himself on a plane to Winnipeg, where he'll spend the summer with an uncle he doesn't even know. His mother thinks Tom will be better off there, but Tom's not so sure. What if he doesn't get along with his uncle? And Winnipeg doesn't have a team in the major leagues. As it turns out, Uncle Nick is pretty neat, and the local ball team

just happens to need a catcher. Tom even becomes friends with the best player on the team. The problem is, Tom's never had to catch a curve ball before, and if he doesn't learn soon, he'll be out of the game. ? Delivers state of the hobby trend reports only collectibles price guide to do so Edgar Award Finalist: A teenage psychopath searches for his kidnapped sister in this "remarkable, dark, and exquisite" suspense novel (The Washington Post Book World). When Sherman Abbott fires a bullet into his brain in front of his younger sister, Mamie, his mother's diligent care and faith in his recovery helps him heal into some semblance of his former self. But a year later, though Sherman can walk and talk, he can relate only to Mamie and the vicious dog known as the Chinaman that lives penned up next door. Then the Abbott house goes up in flames, and Mamie ends up in the hospital, where Leona Hillenbrandt, a well-meaning, lonely young woman bonds with the injured little girl—and abducts her. As Leona flees across the country, collecting other "lost" children, she must take unusual steps to protect her brood . . . because someone is stalking them. Aided only by the ferocious Chinaman, Sherman will stop at nothing to reclaim his beloved sister, leaving a trail of blood and carnage in his wake. An Edgar Award finalist for Best First Novel and hailed as "a minor American classic" by the Philadelphia Daily News, *Lost* takes readers into the chilling world of a psychopath and delivers an unforgettable, deeply moving read that will keep the reader guessing at every turn. Compiled by award-winning staff writers, this guidebook is the city's most authoritative that covers the city's main attractions and institutions, along with lesser known destinations. Includes theme chapters on topics such as opera, neighborhoods, shopping, and more. Maps.

The Seven Stars is a book that journeys into the realm of deepest and darkest magic, that indices the mind and stretches the boundaries of imagination!!! In this enticing of series we come to find Philip an ordinary young teenager and his amazing journey into the world of magic and how he through various adventures fulfills the prophecy of the seven stars. The prophecy has been set, the Seven Stars are to be united and the tasks aren't going to be an easy one!!! But as a great adventure brews up and through the

brilliant description of author Wang Yan Han we the readers can expect thrill, romance, adventure and a wild and highly imaginative world of magic coincided with reality which makes the book such a pleasure to read!!!! In these Meditations on the Glory of God, Dr. Fowler stimulates our sanctified imaginations to picture our Savior, the One who shed His blood on Calvary for our sins, in His thronal glory providentially governing, passionately seeking the lost, and programming our future. He helps us visualize in anthropomorphic, splendiferous images the glory of God, and enthusiastically describes the New Jerusalem. He brings to our sanctified imaginations the descriptions of the city and what it will be like to live there. He says, "Imagine how it will be to live for God, continually seeing His face, continually finding new opportunities to serve Him, within the splendorous and multicolored activity of that New Jerusalem. Dr. Fowler also shares with his readers God's infinite fullness. "All He is, all He has done, and is doing. Life is only life when life's meaning is to be" 'filled with the knowledge of the glory of the Lord.' Habakkuk 2:14. Samuel W. Fowler was born November 30, 1934, in Washington, DC. He trusted Christ as his Savior October 12, 1954. He received his Th.D. from Dallas Theological Seminary and was professor of Bible and Theology for 43 years. His unique teaching and preaching style reached many students who are now serving the Lord around the world. He also served as interim pastor and full time pastor in churches in Indiana, Virginia, and Maryland. His expertise in Bible and Theology and other fields of interest led to a rich inner life and a deep relationship with the Lord, which has culminated in these Meditations on the Glory of God. Dr. Fowler was ushered into the presence of His Glory on July 11, 2008. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. The author of Detroit 67 captures Northern England's underground music scene of the 1970s and '80s in this candid memoir of late nights and heavy beats. Young Soul Rebel is a

compelling and intimate story of northern soul, Britain's most fascinating musical underground scene. Author Stuart Cosgrove takes the reader on a personal journey through the iconic clubs that made it famous, like The Twisted Wheel, The Torch, Wigan Casino, Blackpool Mecca and Cleethorpes Pier. He also details the bootleggers that made it infamous, the splits that threatened to divide the scene, the great unknown records that built its global reputation and the crate-digging collectors that travelled to America to unearth unknown sounds. A sweeping memoir that covers fifty years of British life, Young Soul Rebel places the northern soul scene in a larger social and historical context that includes the rise of amphetamine culture, the policing of youth culture, the north-south divide, the decline of coastal Britain, the Yorkshire Ripper inquiry, the rise of Thatcherism, the miners' strike, the rave scene and music in the era of the world wide web. A new edition of the classic drama portraying gay life in New York in the 1970s and 80s—winner of the Tony Award for Best Play, now back on Broadway in a revival hailed by The New York Times as “irresistibly compelling.” What begins as a chance encounter in a New York nightclub leads drag performer Arnold Beckoff on a hilarious yet touching pursuit of love, happiness, and a life he can be proud of. From a failed affair with a reluctant lover to a committed relationship with the promise of a stable family, Arnold's struggle for acceptance meets its greatest resistance when he faces off against the person whose approval is most important to him: his mother. This edition contains for the first time ever both the original scripts for the three one-act plays (The International Stud, Fugue in a Nursery, and Widows and Children First!) as they were performed in the 1970s, as well as the revised script for the 2017 revival that condensed all three into Torch Song. It also includes a never-before-published introduction by Harvey Fierstein, as well as photographs from both the original production and the revival starring Michael Urie and Mercedes Ruehl and directed by Moisés Kaufman. Praise for Torch Song Trilogy “Harvey Fierstein has created characters so vivid and real that they linger in the mind, talking the night away, long after the lights have been turned out and everyone has left.”—Time

"Gorgeously funny . . . a devastatingly comic play with just the right resonances."—New York Post "Sassy, sweet, and moving."—People With iWork '09, Apple's productivity applications have come of age. Unfortunately, their user guides are stuck in infancy. That's where iWork '09: The Missing Manual comes in. This book quickly guides you through everything you need to know about the Pages word-processor, the Numbers spreadsheet, and the Keynote presentation program that Al Gore and Steve Jobs made famous. Friendly and entertaining, iWork '09: The Missing Manual gives you crystal-clear and jargon-free explanations of iWork's capabilities, its advantages over similar programs -- and its limitations. You'll see these programs through an objective lens that shows you which features work well and which don't. With this book, you will: Produce stunning documents and cinema-quality digital presentations Take advantage of Mac OS X's advanced typography and graphics capabilities Learn how to use the collection of themes and templates included with iWork Get undocumented tips, tricks, and secrets for each program Integrate with other iLife programs to use photos, audio, and video clips Learn why iWork is the topic most requested by Missing Manual fans. One of the few sources available on Apple's incredible suite of programs, iWork '09: The Missing Manual will help you get the best performance out of Pages, Numbers, Keynote, and more in no time. Evil Readers, as ye partake of Encyclopaedia of Hell, rejoice! The hateful sequel written by Satan has arrived! After Hell's army conquers Insignificant Earth and devours the human race in a celebratory feast, Lord Satan reveals that he will now journey deep into the universe to find the throne of the despised Creator. There Satan will depose God and take his rightful place as Emperor of Existence. However, hellish complications quickly arise: exposed to the rays of the Celestial Sun, Satan's horns and claws become brittle and his undercarriage breaks out in a rash. And a hypnotic, ghostly nun named Debbie seduces the naïve King of Hate into taking a wrong turn. Now Lord Satan must face Oblivion when he enters Heaven's labyrinthine Library, from which there is no escape. But when the Armies of Hell arrive to find Lord Satan and conquer Heaven, instead they find a disturbing secret at

the core of Creation too shocking for even a demon to stomach. Martin Olson's savage wit provides the firepower for a preposterous literary feat unaccomplished since Mark Twain and Ambrose Bierce passed—channeling the real voice of Satan. As a satirist, Olson has inflicted numerous comedy series on the populace via HBO, CBS, Showtime, Comedy Central, Disney, and FX. Skull Flowers Beginning with the assassination of Martin Luther King Jr., the North Philadelphia neighborhood of Logan experienced a massive change and shifting population. The racial boiling point in Philadelphia was ten years later in 1978. Ben's is set in the summer of that year when turf wars, crime and political upheaval were rampant in the city. The central character, Torch, is a small-time numbers writer who works for Bah-Bah, the head of a lucrative gambling and loan shark operation in south Philadelphia. When Bah-Bah is forced to change the location of his business and go underground, he runs into some tense situations with the members of Ben's. They are a loosely organized group of young men-including Torch—who are engaged in various types of petty crime and hustles. The situation is made more complicated and dangerous by the existence of a hidden meth lab and several, local, rogue cops who want to find it and rip it off. The Description of the Young Pirate Captain by Author: Ken Moorehead The story is about a normal child growing up he is the son of the devil and is real true father is the devil. He is just a real young child and his father the devil is trying to protect him from the universe which seems mostly out to destroy the unknowing innocent child. He is just a normal average child growing up full of curiosity to learn, exploring with innocence unaware of the danger to himself from the entire universe part of that dangerous is the fear of centuries of the devil. The father knows of the danger about the harm what could occur so he opens the gates of hell to come forward into the universe of earth from hell he brings within a temporary home sort of similar to a summer rental. He brings full of full platoon of protectors of demons there also the Devil, Satan and Lucifer. There is also the angels from heaven, sometimes viewing even god sometimes views the child because this child may change the world in the future for the better. He is just a

child normally slowly growing up the story is some about the child growing up what is occurring he seems momentarily innocent of the universe he does know about the place where he is the world and nothing about the universe. The devil knows some but seeming he does not know all but the danger of the universe for child he knows about this so at the time story he is trying to teach the very young child. He is trying to teach him before he goes away where he may leave the child forever and possibly eternity because his power is limited by restrictions that are even unknown to him in the universe of earth. The father the devil keeps trying to teach the child the young pirate captain before the time may run out forever but the demons, the child, the devil and even part of heaven are sometimes overwhelmed by the beginning occurrences. There has been adversary that been there since the beginning of time mysteriously unknown which assisted in the creation of the earth and parts of the universe. This may even have partly created the devil himself which why he is even confused by it or lacking this knowledge he thinks he knows the rules about things but he is unsure what he is to do when it comes to this unknown thing. This thing is called nature but whom is also the punisher it is the fear of all hell, the devils and demons it is the fear in all of the universes. They travel and the devil fears mostly for his son's life the young pirate captain or what may occur to him. This is just the beginning of the young child as he starts to come forward, to first appear as a child and just a few stories about some occurrences that have taken place so far. I think this is enjoyable short stories I hope you choose this story to read, and enjoy this bizarre short stories. I hope you like this creation of the beginning amateur work, I would like to get reviews back opinions what could be changed what it is you like or dislike and encourage hoping you will be able to write about the story. I tried to stay focused on one subject the very young pirate captain and the father the devil some about the beginning of the child growing up. I apologize in advance if the story is not interesting but I meant no offense by the writing in any way to anyone, place or persons it does not reflect the true nature of any it just is a story completely created it is just a limited fiction

stories. The story: The Young Pirate Captain is trying to describe about life including the current time now. The page that follows is more about what the writer or I Author: Ken Moorehead occurrences or thought about the creation when writing. I hope life is good, moving forward and I most definitely would like it if others enjoyed my writing the: Pirate Captain or the very young child the Pirate Captain. Ken Moorehead correction 04/26/2011 Tuesday The Pirate Captain: The Writers Thought The devil turned blue purple he chattered his teeth h From the acclaimed author of The Town, an epic thriller about the secret right-hand man of one of the most infamous unprosecuted mob bosses in American history, and the hidden crime that will bring down an empire. In the late 1970s, The Outfit has the entire city of Chicago in its hands. Tony Accardo is its fearless leader. Nicky Passero is his loyal soldier, though no one knows he has a direct line in to the boss of bosses. When the Christmas gift Accardo got for his wife, an inscribed bracelet with gold and diamond inlay, is stolen along with other items in a jewelry heist, Nicky is charged with tracking down and returning all of the items—by whatever means necessary. Forced into an impossible situation, Nicky must find a way to carry out Accardo's increasingly unhinged instructions and survive the battle for control of Chicago. What Accardo doesn't know: Nicky has a secret which has made his life impossible and has put him in the pocket of the FBI. Based on the true story of Tony Accardo, the longest-reigning mob capo in history, Gangland is a Shakespearean-esque drama of integrity, lost honor, and revenge. Gritty and action-packed, it is the ultimate gangster tale and Chuck Hogan's most thrilling novel yet. In the best tradition of southern storytelling, Uke Rivers Delivers features raconteurs as beguiling as the tales they tell. These lyrical, darkly humorous monologues portray a range of denizens of the American South desperately trying to come to grips with their inherited pasts. A Confederate reenactor receives a message from the beyond to lay to rest the remains of Stonewall Jackson's horse. A docent at Washington and Lee University's Lee Chapel offers prim instruction on the facts and legends about "the General" with both reverence and

irony. The young son of a lewd, alcoholic, self-dubbed evangelist acquires the wits -- and the will -- for survival by protecting the family's sunflower crops. A midget ukulele virtuoso is so surprised by his own eruption into violence that he can attribute it only to genetics. One of Jeff Davis's fellow cross-dressers; the killer of John Wilkes Booth; a Rebel deserter whose superior exacts his pound of flesh -- all these characters and more, through their twisted and torn vernaculars, seek understanding and revival in R. T. Smith's superb collection. **NEW YORK TIMES BESTSELLER** • "One of George's best . . . insightful, tense, and compassionate."—Entertainment Weekly

Balford-le-Nez is a dying seaside town on the coast of Essex. But when a member of the town's small but growing Asian community is found murdered near its beach, the sleepy town ignites. Intrigued by the involvement of her London neighbor—Taymullah Azhar—in what appears to be a growing racial conflagration, Detective Sergeant Barbara Havers arranges to have herself assigned to the investigation. Setting out on her own, this is one case Havers will have to solve without her longtime partner, Detective Inspector Thomas Lynley— and it's one of the toughest she's ever encountered. For Havers must probe not only the mind of a murderer and her emotional response to a case unsettlingly close to her own heart, but also the terrible price people pay for deceiving others . . . and themselves. Praise for *Deception on His Mind* "So much fun to read, it's criminal."—Newsday "It's tough to resist the pull of George's storytelling once hooked."—USA Today "Falls smartly into place in [George's] literate, impassioned series, one of today's best."—Chicago Tribune "Fascinating . . . there are wrenching stories here, and George conveys them with exceptional grace."—People

Don't bore your audience with black bullet points on a white background. Your ideas deserve a presentation that's as smart and elegant as they are. Even if you're new to the Mac, this hands-on guide gets you up to speed on Keynote's features-like timesaving themes-fast. You'll learn how to customize layouts to your liking and add even more flash with sound and video. Apple's iWork is more versatile than ever now that there are versions for Mac, iOS, and even iCloud. The

only thing iWork doesn't include is its own how-to guide. That's where this friendly, jargon-free Missing Manual comes in. With complete instructions and helpful examples, you'll quickly learn how to create stunning documents, slideshows, and spreadsheets with iWork's Pages, Keynote, and Numbers. The important stuff you need to know: Create elegant files in minutes. Save tons of time by using iWork's collection of prebuilt templates and themes. Craft a variety of documents. Use Pages to design attractive newsletters, catalogs, brochures, flyers, and posters. Build eye-popping presentations. Turn Keynote's themes and easy-to-use cinematic effects into beautiful custom slideshows. Organize and clearly convey information. Jazz up your Numbers spreadsheets with charts, images, and videos. Always have your work on hand. Store your files in iCloud and have them sync automatically to your Mac and iOS devices. Work anywhere, any time. Use the web-based iWork for iCloud to create projects on any computer—even a PC. Versions covered: This edition covers Pages for Mac 5.1, Keynote for Mac 6.1, Numbers for Mac 3.1, version 2.1 of each iOS app, and iWork for iCloud. In her debut novel, the bestselling author of *Wild* weaves a searing and luminous tale of a family's grief after unexpected loss. "Work hard. Do good. Be incredible!" is the advice Teresa Rae Wood shares with the listeners of her local radio show, *Modern Pioneers*, and the advice she strives to live by every day. She has fled a bad marriage and rebuilt a life with her children, Claire and Joshua, and their caring stepfather, Bruce. Their love for each other binds them as a family through the daily struggles of making ends meet. But when they received unexpected news that Teresa, only 38, is dying of cancer, their lives all begin to unravel and drift apart. Strayed's intimate portraits of these fully human characters in a time of crisis show the varying truths of grief, forgiveness, and the beautiful terrors of learning how to keep living. In December 1972, with an increasingly dovish Congress preparing to cut off all funding for the war in Vietnam, President Richard Nixon ordered the bombing of Hanoi by the Strategic Air Command's "big stick," its fleet of B-52 bombers. Never before had a B-52 been lost in combat, but the North Vietnamese SAM missile

crews knocked them out of the sky in the first days of the engagement. Despite the losses, the surviving bombers kept coming, inflicting huge losses on the North Vietnamese. For eleven days the momentum swung back and forth, moving from what appeared to be a certain U.S. triumph, to a possible North Vietnamese victory, to the ultimate ambiguous denouement in which both sides won and lost.
