Making money is not about pinching pennies and cutting back on your cash flow: It is about making smart decisions. The Teen's Ultimate Guide to Making Money When You Can't Get a Job will put you on the right track to start earning your spending money, even if you cannot land one of those traditional first jobs. You will learn how to start exploring other options, such as pet sitting, babysitting, and tutoring. You will also grasp just how to leverage the Internet to help you make money by taking paid surveys, blogging, or even teaching your parents and their friends how to use social networks like Twitter and Facebook. Most importantly, you will discover how to take your hobbies and turn them into your personalized income generator. You're no idiot, of course. You can set up a family budget, balance your checkbook, and pay the bills on time. But when it comes to investing your money on Wall Street, you feel like a minnow in a shark tank... Don't panic! The Complete Idiot's Guide to Making Money on Wall Street helps you make sense of the world of finance--so you can discover the right financial strategy, feel confident about investing

your money, and build your wealth. In this Complete Idiot's Guide, you get: A guide to handling income offers clear tips and advice for a family with children, including how to save and invest, get tax breaks, find a deal on a mortgage, teach kids how to handle money, and deal with major one-time expenses. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing." *A Refinery29 Best Book of 2018* *One of Real Simple's Most Inspiring Books for Graduates* *Indie Personal Finance Bestseller* How to get good with money, even if you have no idea where to start. Chelsea Fagan has tapped a range of experts to help you make the best choices for you, but she also knows that being smarter with money isn't just about what you put in the bank. It's about everything—from the clothes you put in your closet, to your financial relationship habits, to

the food you put in your kitchen (instead of ordering in again). So The Financial Diet gives you the tools to negotiate a raise and the perfect cocktail recipe to celebrate your new salary. The Financial Diet will teach you:

- how to get good with money in a year.
- the ingredients everyone needs to have a budget-friendly kitchen.
- how to talk about awkward money stuff with your friends.
- the best way to make (and stick to!) a budget.
- how to take care of your house like a grown-up.
