They are more than mere history. They are a God-inspired sermon which explains what God has done, what God is doing and what God is planning to do. They reveal the secrets of spiritual revival in every generation and they fix our eyes on the Messiah. Written centuries before his coming, these two books proclaim a timeless message of hope to the world. It's all about Jesus, the true Son of David, who is the only true Saviour of the world. These books were written at a moment of great crisis and confusion for the Jewish nation. They were written to reveal to them the story behind the story. I feel very blessed after writing my first book, From My Heart To Your Heart. I was extremely happy to have located many of the poems written over forty years ago. They are dated throughout this book. It is my desire to blend the old with the new. To my surprise many of the things addressed over forty years ago have come to pass. It is easy to see that some of the poems were before their time, and perhaps that is why they were hidden from me for such a time as this. The message continues from the first book, delving a little deeper into the things we still struggle with throughout our lives. We are encouraged here to deal with matters of the heart so that we can be free from the many traps that the Enemy has set for us, causing us to fail in our relationships and fall short of the glory of God.
