Valley of the Moon Nov 13 2021 Set in 1846, this tale tells the story of a mestizo servant who worked under the harsh supervision of Señor Medina in his Spanish home during the period when Alta California is lost to the Americans.

The Box in the Woods Aug 30 2020 After solving the case of Truly Devious, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. But then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the Box in the Woods Murders. Back in 1978, four camp

counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in the Woods will make room for more victims. This time, Stevie may not make it out alive. *

Out Of The Box DENTAL HYGIENIST Mar 25
2020 - Are you bored with your daily practice ?- Are you tired of the mundane ?- Is the fear of being unprogressive familiar to you ?- Is the fear of being outdated haunting you ?- Are you the Dental Hygienist who is looking to upskill, using easy to implement, natural treatments that are in line with patients

beliefs ?If you are Dental Hygienist in any stage of your career and you would like to learn more about how to implement modern holistic treatments into the conventional hygiene model, this book is for you. We know that technology is evolving but in this book we help you to "spice up" your patient journey. Your new skills will bring value to your patient experience. This journey does not require the latest hi-tech equipment and is virtually cost free. The patient will fall in love with your comprehensive care approach and a pleasant, relaxing dental experience that encompasses natural, non-invasive treatments and techniques. The world is changing and patients' expectations are shifting from chemical laden treatments to chemical free, biocompatible health solutions. This book, as the first, presents unique step-by-step blueprint for Dental Hygienists. It is intended for the forward thinking Dental Hygienist who wants to step away from routine and is looking for bringing an unforgettable experience to patients. "OUT OF THE BOX DENTAL HYGIENIST" is for

professionals striving for success and offers exceptional value to your life as well as your patients' lives by transforming your and your patients' health and mind. After reading this book you will have skills to attract more patients and increase your earning potential. This book has transformative content with a foundation in a Holistic Dental Hygiene approach, self-care, patients' protocols and a marketing plan. All this presented to you in precise detail. We promise your journey to Holistic Dental Hygiene will not be boring. You will be immersed in an easy to follow guide which will benefit your wellbeing, mindset and boost your confidence in building your marketing vision.

The Very Nice Box Aug 22 2022 For fans of Elinor Oliphant *Is Completely Fine* and *Severance*: an offbeat, wryly funny debut novel that follows an eccentric product engineer who works for a hip furniture company where sweeping corporate change lands her under the purview of a startlingly charismatic boss who seems

determined to get close to her at all costs . . .

The World in a Box Jul 21 2022 This is a book about a box that contained the world. The box was the Picture Academy for the Young, a popular encyclopedia in pictures invented by preacher-turned-publisher Johann Siegmund Stoy in eighteenth-century Germany. Children were expected to cut out the pictures from the Academy, glue them onto cards, and arrange those cards in ordered compartments—the whole world filed in a box of images. As Anke te Heesen demonstrates, Stoy and his world in a box epitomized the Enlightenment concern with the creation and maintenance of an appropriate moral, intellectual, and social order. The box, and its images from nature, myth, and biblical history, were intended to teach children how to collect, store, and order knowledge. te Heesen compares the Academy with other aspects of Enlightenment material culture, such as commercial warehouses and natural history cabinets, to show how the kinds of collecting and ordering practices taught by the Academy shaped both the developing

middle class in Germany and Enlightenment thought. *The World in a Box*, illustrated with a multitude of images of and from Stoy's Academy, offers a glimpse into a time when it was believed that knowledge could be contained and controlled.

Outside the Box May 27 2020 A collection of over one hundred poems includes such amusing entries as "Balloonaphobia" and "Aliens Under My Bed."

Scribbles and Ink Dec 14 2021 Where art meets madcap fun! Scribbles and Ink are drawn together again for more artistic shenanigans!

The Box of Delights Feb 16 2022 Strange things begin to happen the minute young Kay Harker boards the train to go home for Christmas and finds himself under observation by two very shifty-looking characters. Arriving at his destination, the boy is immediately accosted by a bright-eyed old man with a mysterious message: "The wolves are running." Soon danger is everywhere, as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer gets to work. What does

Abner Brown want? The magic box that the old man has entrusted to Kay, which allows him to travel freely not only in space but in time, too. The gang will stop at nothing to carry out their plan, even kidnapping Kay's friend, the tough little Maria Jones, and threatening to cancel Christmas celebrations altogether. But with the help of his allies, including an intrepid mouse, a squadron of Roman soldiers, the legendary Herne the Hunter, and the inventor of the Box of Delights himself, Kay just may be able rescue his friend, foil Abner Brown's plot, and save Christmas, too. At once a thriller, a romp, and a spellbinding fantasy, The Box of Delights is a great English children's book and a perfect Christmas treat.

Leading Out-of-the-box Change Jan 15 2022
In his path-breaking new book, "Leading Out-of-the-Box Change: The Chief Executive's Essential Guide to Achieving Nonprofit Innovation and Growth," leadership expert Doug Eadie draws from his quarter century of experience working with nonprofit and public leaders to provide a practical, thoroughly tested

guide for leading the kind of out-of-the-box change that is critical to a nonprofit organization's long-range stability and growth. Doug describes the critical leadership role of the chief executive officer as Innovator-in-Chief and lays out the key elements of a powerful new change-planning tool that nonprofit leaders can apply to take command of out-of-the-box change: the Change Investment Portfolio Process. Doug also describes how to transform the organization's governing body into a strong advocate for - and committed owner of - out-of-the-box change initiatives. In the book's Postscript, the author also discusses the personal application of the Portfolio Process to build richer, more satisfying professional and personal lives. From the Foreword: "What makes Doug's book a particularly rich resource for non-profit and public leaders is its grounding in Doug's quarter century of hands-on work with an incredible range of organizations. Leading Out-of-the-Box Change is a real-life guidebook, for real-life leaders who are facing real-life challenges-not just

another one of those collections of fascinating but untested theories."

Viva la Pizza! Jul 09 2021 "New Yorkers are particular about pizza, and no one has a more well-formed opinion than Scott Wiener." —Newsday One of the world's foremost pizza experts presents more than 100 weird and wild pizza box designs Since the origins of to-go pizza, pizzerias and pizza chains have taken great pride in covering take-out boxes with captivating designs. They've also wrestled with the best way to manufacture a box that can keep a pizza looking and tasting great. Here, the world's expert on pizza boxes presents more than one hundred weird and wild box designs and explores the curious history of the pizza box. Included are international designs, corporate designs, and dozens of quirky images from mom-and-pop pizzerias. Where does all this art come from? Scott Wiener has been collecting and cataloging pizza boxes for more than five years. In *Viva la Pizza!*, Wiener traces design trends over the past

four decades and profiles some of the world's most prolific box designers and manufacturers. The result is a captivating overview of pizza culture and a new way to look at one of the world's favorite foods.

California Out of the Box Dec 26 2022

California Out of the Box uses story as a basis for an interdisciplinary exploration of Golden State history, life and earth science, geography, social studies, the arts, and more! The content spans prehistory through the 1930s. This homeschool/progressive education curriculum includes a teacher guide with comprehension questions, reproducible student pages (for within a family), and answer keys; it is geared for students in grades 3-6, but suggestions are included for families with younger siblings. Note: families must purchase the 8 historical fiction and resource books separately, or request them from their local library.

Out of the Box Jan 03 2021 A

groundbreaking traveling exhibition, Out of the Box showcases sneakers, from the mid-nineteenth century to sports performance breakthroughs, to present-day

cultural icons. ?Drawn from the collection of the Bata Shoe Museum and significant private collectors, museums, and archives—including adidas AG, Converse Archives, Kosow Sneaker Museum, Nike Archives, Northampton Museums and Art Gallery, and Reebok Archives—this selection is richly contextualized with interviews and essays by design innovators, sneaker collectors, and cultural historians, creating a backdrop of the technical innovation, fashion trends, social history, and marketing campaigns that shaped the form over the past two centuries. Out of the Box includes sneakers ranging from an 1860 spiked running shoe, a pair of 1936 track shoes, Air Jordans I-XX3, the original Air Force 1, and early Adidas Superstars to contemporary sneakers by prominent figures including Damien Hirst, Jeremy Scott, Jeff Staple, and Kanye West. The book also highlights sneakers and prototype drawings that span the career of Nike sneaker design legend Tinker Hatfield, making this the definitive illustrated history of sneaker culture.

Outside the Box to Box Jun 27 2020 The majority of people live a lifestyle where most of their lives are spent going back and forth from one of two "boxes" work and home-and they're lonely, sad, and anxious because of it. The problem with the "box-to-box" lifestyle is that there is little room for social connection. Science has proven that the quality of your social connections is the strongest factor to lifelong happiness-over money, status, or fame. Despite this, we hardly put any effort into the people that ultimately bring us true happiness. Outside the Box to Box is a simple yet effective book on how to create a rewarding social life full of people you love, care about, and whose connections bring you endless joy. On top of showing you how to create fulfilling connections, the book will also lay out various skills and traits you need to develop in order to become capable of making your social life happen including:
Meeting new people
Becoming courageous and vulnerable
Feeling confident and comfortable
Becoming skilled socially
Enjoying who you are
And so much more

After experiencing the pain of loneliness then systematically learning how to overcome it through self-improvement, Tak Maeda shares his experiences to help readers conquer the box-to-box cycle. Outside the Box to Box will change the way you interact with the world and the people in it, and it will be one of the biggest contributors to your lifelong happiness.

Out of the Box Nov 25 2022 Reg Spiers arrived in England in 1964 as a world-class athlete. He returned to Australia in a box, but that was only the start of his adventures. Crazy impulsive, romantic, and free-spirited, Reg became a national hero for smuggling himself 13,000 miles home as air freight. But as his fame and sporting career faded, Reg decided to smuggle something very different. Soon, he was on the run with his girlfriend, playing a cat-and-mouse game with police on three continents. A wild road trip across India and Africa—idyllic beaches and prison hellholes, shady friends and shadier cops, gun-toting militias and drug-running gangsters—led to a court room in Sri Lanka and the fight of his life. Could

Reg beat the death sentence he'd just been given, or was this box too big to climb out of?

The Girl in the Box Series, Books 1-3 Sep 23 2022 From Million-Selling Author Robert J. Crane...Her mother is missing. A psychotic beast is stalking her. How will she escape? AloneSienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious, bloodthirsty psychopath named Wolfe, each of which is determined to capture her for their own purposes...UntouchedStill haunted by her last encounter with Wolfe and searching for her mother, Sienna Nealon must put aside her personal struggles when a new threat emerges

Leadership and Self-Deception Aug 10 2021 This edition tackles the issue of self-deception and provides methodologies to

help people overcome it.

Alone Apr 18 2022 A surprise third installment in his acclaimed collections of stories and poems, *Alone* conveys Robert Crues's most memorable reflections on what it means to be singularly human.

Outside the Box Jun 20 2022 This laugh-out-loud poetry collaboration from a New York Times and Publishers Weekly bestselling author and a Caldecott Honor illustrator is anything but ordinary. Dive in to Karma Wilson's latest collection of more than 100 poems—some humorous, some poignant, and all of them *Outside the Box*. Illustrated by Caldecott Honoree Diane Goode, *Outside the Box* has something for everyone. Appealing to kids and parents alike, poems such as "Sick Day," "My Pet Robot," "Balloonaphobia," and "Aliens Under My Bed" are sure to delight and entertain.

Poke the Box Mar 05 2021 "A one-two punch! Half kick in the ass, half cheerleading encouragement." —Steven Pressfield, author of *The War of Art* If you are happy being just a dreamer, perhaps you don't need this book. If

you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has *Poke the Box* become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need, too. "Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you?"
—Peter Shermeta, reviewing the original edition of *Poke the Box*

The Gift Inside the Box Jan 23 2020 Adam Grant, the bestselling author of *Give and Take*, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of *Goodnight Gorilla*, the words are intentionally spare. The book is meant to be read interactively, with adults posing

questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. "Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year." --Dax Shepard of the podcast "Armchair Expert"

Out of the Box Mar 17 2022 From castles to animal masks, pirate ships, and even dinosaurs! You will be amazed at how much you can do with a simple cardboard box. A DIY projects book for kids that use recycling as a way to build creativity, imagination, and interactive play for kids aged 7-12. It features clear step-by-step instructions and detailed photographic

explanations that will inspire imaginative minds. The sky is the limit with Out Of The Box! This book is designed to help kids learn and play. They will learn about the idea of upcycling and reusing materials that otherwise would be thrown away. This book has 25 brilliant projects for them to choose from. Detailed instructions and photographs along with colorful inspiration sheets will delight and inspire for hours of endless fun. Out Of The Box will help kids develop their creativity and imagination through interactive play, and inspire them to find a thousand more projects to build. Think Out Of The Box! skills and expanding their knowledge,
imagination, and perspectives. Help them
to realize their true potentials by adding
to your DK collection today. Awards Book
category winner of the Creative Play Award
2017

The Monster in the Box Jul 29 2020 From
the author called the best mystery writer
in the English-speaking world ("Time")
comes her newest novel featuring Inspector
Wexford.

Out of the Box Feb 04 2021 Three women,
three voices, three generations: the
Silbery family share their most personal
memories and lessons learned. You know
them as Isabelle, Kerry and Emmie Silbery
from Foxtel and Channel 10 series
Gogglebox, in which they give their
thoughts on the week's TV highlights and
show what a supportive and loving family
they are. In Out Of The Box, these strong,

independent women open up like never before, sharing intensely personal stories and considered opinions on the female experience – and how that has changed during their lifetimes. Infidelity, grief, motherhood, money, feminism, body hair... no topic is off limits. The book will inspire mothers and daughters to start talking and sharing – to have the conversations that will bring them closer together. Delving deep beneath the surface we see on our screens, this memoir is equal parts moving, hilarious and devastating as Isabelle, Kerry and Emmie talk about moments in their lives that their legion of fans would have never expected. Personal struggles, family heartache and plenty of sex, there is much more to the Silberys than meets the eye. Through it all, we get an even greater sense of how close and connected these mothers and daughters are. Like any other family, they don't see eye to eye on everything, but no matter what, their love for each other always triumphs.

The Box Feb 28 2023 In April 1956, a refitted oil tanker carried fifty-eight

shipping containers from Newark to Houston. From that modest beginning, container shipping developed into a huge industry that made the boom in global trade possible. The Box tells the dramatic story of the container's creation, the decade of struggle before it was widely adopted, and the sweeping economic consequences of the sharp fall in transportation costs that containerization brought about. But the container didn't just happen. Its adoption required huge sums of money, both from private investors and from ports that aspired to be on the leading edge of a new technology. It required years of high-stakes bargaining with two of the titans of organized labor, Harry Bridges and Teddy Gleason, as well as delicate negotiations on standards that made it possible for almost any container to travel on any truck or train or ship. Ultimately, it took McLean's success in supplying U.S. forces in Vietnam to persuade the world of the container's potential. Drawing on previously neglected sources, economist Marc Levinson shows how the container transformed economic

geography, devastating traditional ports such as New York and London and fueling the growth of previously obscure ones, such as Oakland. By making shipping so cheap that industry could locate factories far from its customers, the container paved the way for Asia to become the world's workshop and brought consumers a previously unimaginable variety of low-cost products from around the globe. Published in hardcover on the fiftieth anniversary of the first container voyage, this is the first comprehensive history of the shipping container. Now with a new chapter, *The Box* tells the dramatic story of how the drive and imagination of an iconoclastic entrepreneur turned containerization from an impractical idea into a phenomenon that transformed economic geography, slashed transportation costs, and made the boom in global trade possible.

Silver Tongue May 07 2021 When a smooth operator attacks one of Sienna's friends, she is drawn into a scheme of terror run by one Fortune Renard. Smooth and debonair, Renard seems to be everything

Sienna has been lacking in her life. Except the whole supervillain thing. She's had plenty of those cross her path. But everything is not as it seems with Renard, and with every turn and escalation of his plan, Sienna is left wondering - is Renard a villain? An ally? Or is he after something else entirely? Something, like, say...Sienna herself.

Outside the Box Oct 12 2021 From the acclaimed author of *The Box*, a new history of globalization that shows us how to navigate its future Globalization has profoundly shaped the world we live in, yet its rise was neither inevitable nor planned. It is also one of the most contentious issues of our time. While it may have made goods less expensive, it has also sent massive flows of money across borders and shaken the global balance of power. *Outside the Box* offers a fresh and lively history of globalization, showing how it has evolved over two centuries in response to changes in demography, technology, and consumer tastes. Marc Levinson, the acclaimed author of *The Box*, tells the story of globalization through

the people who eliminated barriers and pursued new ways of doing business. He shows how the nature of globalization changed dramatically in the 1980s with the creation of long-distance value chains. This new type of economic relationship shifted manufacturing to Asia, destroying millions of jobs and devastating industrial centers in North America, Europe, and Japan. Levinson describes how improvements in transportation, communications, and computing made international value chains possible, but how globalization was taken too far because of large government subsidies and the systematic misjudgment of risk by businesses. As companies began to account properly for the risks of globalization, cross-border investment fell sharply and foreign trade lagged long before Donald Trump became president and the coronavirus disrupted business around the world. In *Outside the Box*, Levinson explains that globalization is entering a new era in which moving stuff will matter much less than moving services, information, and ideas.

Boxes Dec 22 2019 A book full of boxes. A box in itself. An unboxing. This book explores boxes in their broadest sense and size. It invites us to step into the field, unravel how and why things are contained and how it might be otherwise. By turning the focus of Science and Technology Studies (STS) to boxing practices, this collation of essays examines boxes as world-making devices. Gathered in the format of a field guide, it offers an introduction to ways of ordering the world, unpacking their boxed-up, largely invisible politics and epistemics. Performatively, pushing against conventional uses of academic books, this volume is about rethinking taken-for-granted formats and infrastructures of scholarly ordering - thinking, writing, reading. It diverges from encyclopedic logics and representative overviews of boxing practices and the architectural organization of monographs and edited volumes through a single, overarching argument. This book asks its users to leave well-trodden paths of linear and

comprehensive reading and invites them to read sideways, creating their own orders through associations and relating. Thus, this book is best understood as an intervention, a beginning, an open box, a slim volume that needs expansion and further experiments with ordering by its users.

A Box of Nothing Nov 20 2019 For one young boy, a box full of nothing is a ticket to adventure While skipping school, James sees his mother on the street. He ducks inside an abandoned store, where an aged shopkeeper asks what he wants to buy. When James says "nothing," the old man sells it to him: a heavy cardboard box stuffed full of top-quality nothing. James tries to explain this to his mother, but she doesn't believe him and throws the box over the fence and into the dump. He sneaks in to retrieve his new possession—and finds himself trapped in another world. The dump is an eerie place populated by hyperintelligent rats, monstrous seagulls, and a very clever pile of garbage called the Burra. Once it was a thriving community, but something strange

has happened, and the dump has become stuck in time. To get back home, James must help the Burra save the dump—using all the nothing he can find. This ebook features an illustrated personal history of Peter Dickinson including rare images from the author's collection.

When the Game Is Over, It All Goes Back in the Box May 19 2022 Helps readers to understand what matters most in life--their relationships with God and people--by using personal stories, humor, and metaphors about popular games, which show Christians how to focus on winning "the right trophies" in life.

Inside the Box Oct 24 2022 "INSIDE THE BOX answers one of the most-asked questions in corporate America: How can our organization be more creative? The authors show how "thinking inside the box" can foster greater creativity and innovation within your company or organization"--Provided by publisher.

The Book in a Box Method: The New Way to Quickly and Easily Write Your Book (Even If You're Not a Writer) Jan 27 2023 You have plenty of ideas you want to put into

a book, but you're stalled. Maybe you start, but can't find the time to continue. Or you're frustrated with the writing process. And when you seek advice, people tell you, "It's all about discipline," or they talk about what writing software to use. But that doesn't help you actually write your book. So you never finish your book, the world never gets the benefit of your wisdom, and you never get the benefits of being an author. Isn't there an easier way? Now there is. In "The Book In A Box Method," Tucker Max and Zach Obront show you the exact steps you can follow to go from idea to finished manuscript, in an easy, quick way -- even if you're not a writer. Using the same methods, processes, and templates that they use for their authors at their company, Tucker and Zach show you exactly how to:

- Crystallize your book idea
- Create your book outline
- Create all the content for your book
- Edit that content into a great manuscript

With "The Book In A Box Method," you'll be able to write a better book - in less time - than you ever thought possible.

Box of Butterflies Sep 30 2020 A NEW YORK TIMES BESTSELLER ?Roma Downey—best known as the beloved angel on the TV show Touched by an Angel—“has created a beautiful and personal testimony to the presence of God in our lives and our world” (Most Reverend José H. Gomez, Archbishop of Los Angeles). Ever since she was a little girl, Roma has seen butterflies as a reminder of God’s presence. They have appeared to her in moments when she needed encouragement, reminding her that she is not alone. In this deeply personal book, Roma shares stories from her life, alongside quotes, poems, scripture, and artwork that she prays will uplift you as they have her. Reminiscent of the message of her popular television series, Touched by an Angel, this book’s central theme is that there is a God, He loves you, and that even in your most difficult moments, He is by your side. The subtle butterfly theme reminds us that the wonder of God’s love and kindness is sometimes reflected in the gentle whispers of His creation and that we all have the power to transform from

simple caterpillars into exquisite butterflies. This inspirational book invites you to return to its pages again and again, as life brings new challenges, or you find yourself in need of new inspiration. Box of Butterflies "will touch you and move you and strengthen you" (Kathie Lee Gifford).

Think Out of The Box Apr 06 2021 Think differently, be more creative, catch ideas in the air to solve problems quickly and skyrocket your productivity People only see what is just visible. Thinking out of the box will empower you see the alternatives that others simply miss out. Out of the Box : Who You Are, who You Can be Oct 20 2019

Slave in a Box Sep 11 2021 The figure of the mammy occupies a central place in the lore of the Old South and has long been used to illustrate distinct social

phenomena, including racial oppression and class identity. In the early twentieth century, the mammy became immortalized as Aunt Jemima, the spokesperson for a line of ready-mixed breakfast products.

Although Aunt Jemima has undergone many makeovers over the years, she apparently has not lost her commercial appeal; her face graces more than forty food products nationwide and she still resonates in some form for millions of Americans. In *Slave in a Box*, M.M. Manring addresses the vexing question of why the troubling figure of Aunt Jemima has endured in American culture. Manring traces the evolution of the mammy from her roots in the Old South slave reality and mythology, through reinterpretations during Reconstruction and in minstrel shows and turn-of-the-century advertisements, to Aunt Jemima's symbolic role in the Civil Rights movement and her present incarnation as a "working grandmother." We learn how advertising entrepreneur James Webb Young, aided by celebrated illustrator N.C. Wyeth, skillfully tapped into nostalgic 1920s perceptions of the

South as a culture of white leisure and black labor. Aunt Jemima's ready-mixed products offered middle-class housewives the next best thing to a black servant: a "slave in a box" that conjured up romantic images of not only the food but also the social hierarchy of the plantation South. The initial success of the Aunt Jemima brand, Manring reveals, was based on a variety of factors, from lingering attempts to reunite the country after the Civil War to marketing strategies around World War I. Her continued appeal in the late twentieth century is a more complex and disturbing phenomenon we may never fully understand. Manring suggests that by documenting Aunt Jemima's fascinating evolution, however, we can learn important lessons about our collective cultural identity.

Doc McStuffins Out of the Box Apr 25 2020
Little Jack, Doc's jack-in-the-box, is having trouble popping out of his box. His father, Big Jack, asks Doc to take a look, but Little Jack is too scared to let Doc examine him! Through this great novelty format, children can play along with Doc,

Little Jack, and the rest of the toys using die-cut tabs and lift-the-flaps for a unique, multi-dimensional experience.

This book has 25 brilliant projects for them to choose from. Detailed instructions and photographs along with

colorful inspiration sheets will delight and inspire for hours of endless fun. Out Of The Box will help kids develop their creativity and imagination through interactive play, and inspire them to find a thousand more projects to build. Think Out Of The Box! A box is just a box, right? Wrong! It could be a pirate ship, a butterfly, or a family of penguins! Out of the box will encourage kids to see a cardboard box as more than junk. Kids can build their imaginations and creative skills by reusing household cardboard. Learn to build and decorate a range of projects to share, wear, and play with. This educational book will show kids how to:

- Develop cardboard skills
- Build a castle, city and pirate ship
- Design penguins, butterflies, and rabbits
- Create games like ring toss
- Produce wearables like Pharaoh's finery and masks
- Decorate funky flowers and lazy lizards
- And much, much more!

DK is all about inspiring young minds, teaching them new skills and expanding their knowledge, imaginations, and perspectives. Help them to realize their true potentials by adding

to your DK collection today. Awards Book category winner of the Creative Play Award 2017

Out of the Box Jun 08 2021 Make Your Own Gifts is full of over 50 fantastic home-made projects and original gift ideas, so you can make amazing presents for family and friends.
