Verse-by-verse commentary on the Book of Job In the classic Mere Christianity, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War

Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith. The 40 Days through the Book series has been designed to help believers more actively engage with God's Word. Each study encourages participants to read through one book in the New Testament at least once during the course of 40 days (approximately 6 weeks of meetings) and will provide them with (1) a clear understanding of the background and culture in which the book was written, (2) insights into key passages of Scripture, and (3) clear applications and takeaways from the particular book that participants can apply to their lives. Each study will be recorded in the author's place of residence and will highlight stories and applications that are relevant to his or her ministry in that area. In *40 Days through Colossians*, author and pastor Jay Kim guides small-group members through Paul's letter to the believers in Colossae, revealing what his words meant to his original readers . . . and how they apply to us today. Participants will be encouraged as they listen to Jay's teachings and, though the accompanying study guide, challenged to read *Colossians* on their own during the forty days in the study. Sessions and run times include: *The True Center* (Colossians 1:1-29) (20:00) *Broken Gauges* (Colossians 2:1-15) (20:00) *A Greater Reality* (Colossians 2:16-23) (22:30) *Constant Dissonance* (Colossians 3:1-11) (20:30) *The Right Attire* (Colossians 3:12-4:1) (23:00) *God Alone* (Colossians 4:2-18) (21:00) *Designed for use with 40 Days Through the Book: Colossians Video Study* (sold separately). Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a

great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

"Includes 8 real tests and official answer explanations"--Cover. "My Personal Book Of YAHUWAH New Testament and Study Guides, are an in dept introduction to discovering the Creator's Personal Name and His Son's name with the continuing Study Guide Series. I spent the first forty years of my life in mainstream religion, asking questions, and never being able to receive straight answers to the inconsistencies I found in the Scriptures themselves. In the detailed study guide series, I explain the questions in detail, and the answers I have discovered with the help of a few ministries, and the references for these books. Along with the eight years I have spent working on these books, I expect these personal books of mine to make a lot of people upset with me. As a former Governor once said, "Were fisherman we know that only dead fish "go with the flow." Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined. For personal, group or classroom use. The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today. Verse-by-verse commentary on the book of Genesis.
