Whether you are a supervisor, a business owner, or an HR professional, it is essential that you understand the laws and rules governing how one treats employees and interacts with unions. In a comprehensive and accessible format, *Labor Law: A Basic Guide to the National Labor Relations Act* provides a practice-oriented foundation on labor law. The book sheds light on one of America's most important laws and one which is also, perhaps, the most misunderstood. This book presents an overview of labor and employment laws such that managers may understand their rights as employers as well and their employees' rights. It covers an introduction to the topic of labor and employment law as well as a brief history within the United States. Other chapters deal with unions and union relations, collective bargaining agreements, grievances, labor arbitration, unfair labor practice proceedings, and strikes and lockouts. The author does not focus on complex regulations and convoluted case law, but distills them to reveal the essence of the NLRA and how it works. As important as it is, at times labor law can seem counter-intuitive. Written by a highly experienced labor lawyer, this book contains concise explanations in an easy-to-use format. Clearly delineating a process that can be fraught with traps for the unwary, it supplies a quick reference that can be used in a crisis situation to understand the parameters of what you can and cannot do. *Labor Guide to Labor Law* is a comprehensive survey of labor law in the private sector, written from the labor perspective for labor relations students and for unions and their members. The text emphasizes issues of greatest importance to unions and employees. Where the law permits a union to make certain tactical choices, those choices are pointed out. Material is included on internal union matters that tend to be ignored in management texts. Bruce S. Feldacker and Michael J. Hayes cover applicable labor law principles from a union's initial organizing campaign to the mature bargaining relationship, including such subjects as the employee right to engage in protected concerted activity, the duty to bargain, labor arbitration, the use of strikes, picketing and other economic weapons in resolving a labor dispute, the duty of fair representation, internal union regulation, and employment discrimination. This book is also a useful reference and review for full-time union officers and representatives who have a working knowledge of labor law but wish to brush up on certain points as needed in their work. Both authors have extensive experience in the construction field, and they have been careful to include material on those aspects of labor law that are unique to that field. *Labor Guide to Labor Law* is structured to present an unbiased and comprehensive explanation of labor law principles for anyone interested in the field. Thus, labor relations educators, as well as practitioners in the field representing labor, management, or individual employees, should also find the text suitable for their use. Each chapter includes a summary, review questions and answers, a restatement of "Basic Legal principles" with citations to key cases, and a bibliography for additional research. The comprehensively revised and updated fifth edition covers new statutes, current issues, and the latest developments in labor and employment law. *Labor and Employment in California* provides easy-to-understand overviews and explanations of complex labor and employment law issues facing today's employers. It covers issues ranging from hiring to termination, helping you to keep pace with the rapid evolution of law on the state and federal level. Practical tips and lists help bring many important labor and employment concepts into even sharper focus. Over the last 50 years, literally millions of GM cars and trucks have been built with Turbo 400 automatic transmissions. While these transmissions are respected for their durability and versatility, there always comes a point where the old transmission shows signs of wear. At some point, even the best transmissions need to be rebuilt. Respected automotive technical author Cliff Ruggles takes readers through the complex rebuild procedure of GM's most popular rear-wheel drive automatic transmission in this great new book. Enthusiasts have embraced the reliable GM Turbo Hydra-Matic 400 three-speed automatics for years, and the popularity of these transmissions is not slowing down. With his proven style, Ruggles walks through the step-by-step rebuild and performance upgrade procedures in a series of full-color photos for each of these models. Time saving tips are part of every buildup. This is a welcome addition to your automotive library. Amateurs and professionals alike will appreciate the advice and guidance offered on every page. Even if you end up deciding to have a professional take care of your transmission repair and performance needs, this information is crucial to understanding how the power gets from the engine to the road. This single-volume desktop reference is a general guide to all aspects of employment as governed by both federal & California law - from hiring through termination. It is designed to serve as a day-to-day practical reference manual for owners, executives, & managers on topics such as hiring, sexual harassment, wage & labor law, OSHA, & discrimination. This book gives you everything you need, pulled together in one place, on the federal & state requirements to insure that your company is in full compliance with employment laws. Notable changes in the latest supplement include: 1) a new section on health benefits for part-time employees, 2) the 1999 statutory amendment establishing criminal penalties for an employer who makes an audio or video recording of an employee in a locker room, restroom, or any area designated for changing clothes, 3) a new section on common mistakes made by employers facing wrongful termination or demotion claims, 4) a new section on defamation as it relates to employee to employer or co-employee communications, 5) a new section on an employee's obligation to timely report sexual harassment or be barred from suit, 6) & the latest employment case law. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

For many women in their 20's and 30's, the greatest professional hurdle they'll need to overcome has little to do with their work life. The most focused, confident, and ambitious women can find themselves derailed by a tiny little thing: a new baby. While more workplaces are espousing family-friendly cultures, women are still subject to a "parenting penalty" and high-profile conflicts between parenting and the workplace are all over the news: from the controversy over companies covering the costs of egg-freezing to the debate over parental leave and childcare inspired by Mark Zuckerberg's two-month paternity leave. Here's the Plan offers an inventive and inspiring roadmap for working mothers steering their careers through the parenting years. Author Allyson Downey—founder of weeSpring, the “Yelp for baby products,” and mother of two young children—advises readers on all practical aspects of ladder-climbing while parenting, such as negotiating leave, flex time, and promotions. In the style of #GIRLBOSS or Nice Girls Don't Get the Corner Office, Here's the Plan is the definitive guide for ambitious mothers, written by one working mother to another. Develop personnel policies and management procedures with confidence, knowing you have the most up-to-date resource available. This essential reference covers all the basic information on the laws, regulations and policies affecting labor and employment in Georgia. Find the answers to all your employment law questions with this guide's easy-to-understand format, everyday language, and practical examples. Regular supplementation assures you accurate, timely information regarding any Georgia or federal employment regulation. This eBook features links to Lexis Advance for further legal research options. Find the information you need at a glance with this handy, expertly organized and indexed desktop guide to state and federal laws and regulations governing all aspects of the employer-employee relationship; from hiring to termination or retirement. Concise, to-the-point explanations of relevant statutes, cases, and current practices make it a perfect first-level research tool for employers, full-time human resource managers, general practice attorneys, in-house legal counsel, and personnel managers. It offers solid guidance on important new procedures and potential sources of liability and gives you everything you need to ensure that your company is in full compliance. A True Story Born a poor hill tribe girl from a mountain jungle village in northern Thailand, Lek Chailert spent her childhood learning spiritual and healing powers from her grandfather, the village shaman. Hers was a world filled with beautiful morning calls from hundreds of gibbons, lush jungle foliage, banyan trees and giant timber bamboo, clear mountain creeks, and, from time to time, a wandering Asian tiger. She learned how to collect medicinal herbs and heal sick and injured animals. She also fought a constant battle against the vicious discrimination practiced against hill tribe minorities. Elephant Lady is the true story of this amazing woman. At her low point, she was a hunted woman, targeted for assassination. She became a national disgrace when the world learned that elephants were being tortured for the sake of pleasing tourists at elephant shows. Powerful shadow forces in her native Thailand blamed her for the loss of tourist dollars. Discover the power of truth and conviction as you take one woman's journey into darkness, only to overcome it all, and ascend as the world's premier elephant savior. Find the information you need in this expertly organized and indexed guide to state and federal laws and regulations governing all aspects of the employer-employee relationship in New Hampshire. This guide includes coverage of topics like hiring, termination and retirement. Concise, to-the-point explanations of relevant statutes, cases, and current practices make it a perfect first-level research tool for general practice attorneys, human resource professionals, and specialist labor and employment lawyers. Jonathan Garlock's Guide to the Local Assemblies of the Knights of Labor makes accessible a great deal of information necessary for understanding and evaluating the history and impact of this organization. It provides information on twelve thousand local assemblies organized by the Knights of Labor between 1869 and 1896. Organized geographically by state, county, and community, the Guide provides the assigned local assembly number, dates of existence, and community population for each local. The occupations of the members are given; where known, members' race, sex, and ethnicity are provided. Just cause is the keystone of the union contract, protecting members from discrimination and unfair discipline. But up to now, its most important secrets have been restricted to arbitrators and other labor professionals. In Just cause, labor lawyer Robert M. Schwartz offers a step-by-step guide filled with advice, tips, and winning techniques. Grievance representatives can use these methods to prepare cases and make compelling arguments. This single-volume desktop reference provides basic information concerning the laws, regulations, and policies affecting labor and employment in Rhode Island. The book may be used to help develop personnel policies and as a resource for answers to questions on employment law issues. It offers solid guidance on important new procedures and potential sources of liability and keeps you abreast of important regulations governing all aspects of the employer-employee relationship - from hiring to termination or retirement. This eBook features links to Lexis Advance for further legal research options. A complete overview of developments in statutory and common law that provide increased protection for whistleblowers and authorize punitive and compensatory damages in wrongful discharge actions. An overview of court decisions and the constitutional roots of whistleblower protection is included along with available legal remedies under both state and federal law. An extensive appendix lists texts of whistleblower protection laws. Human Resource Management News Beginning with an overview of the jurisprudential and constitutional roots of whistleblower protection, the authors go on to outline the numerous legal remedies under both state and federal law available to whistleblowers. They demonstrate that although no comprehensive federal whistleblower laws exist, many laws and doctrines are sufficiently interrelated to offer a safety net of protection. Turning their attention to the private sector, the authors explain state court developments concerning liberalization of the traditional employment at will doctrine. They then analyze the case law of the twenty-six states that have adopted a public policy exception to the doctrine and the new tort created by this exception which offers additional protection by permitting suits for damages by private sector whistleblowers. An extensive appendix lists the texts of thirty federal whistleblower protection laws, an especially valuable feature for practicing labor law attorneys. LexisNexis Practice Guide: Pennsylvania Labor and Employment provides practical guidance on labor and employment issues in Pennsylvania. It covers hiring, wages, health and safety standards, employment discrimination, employee performance and privacy, labor relations, employer liability for employee acts, benefits, termination and post-employment benefits.
