Understanding Contemporary Africa May 07 2021 April Gordon (sociology, Winthrop U.) and Donald Gordon (political science, Furman U.) present a textbook written for use in introductory undergraduate courses on Africa. Chapters overview themes of politics, economics, international relations, demographics and disease, the environment, family and kinship, women and development, religion, and literature. One chapter is devoted to a more detailed examination of the history of South Africa. For the most part, the essays support the viewpoints of the former colonial powers and the international monetary institutions on African history and development and it is likely that many African academics and political activists would suggest that this book would lead more to misunderstanding contemporary Africa. Annotation copyrighted by Book News, Inc., Portland, OR

Understanding Contemporary China Jun 20 2022 Understanding Contemporary China offers undergraduates a coherent assessment of the most crucial issues affecting China today. Designed as a core text for Introduction to Asia or Introduction to China courses, it can also be used in a wide variety of discipline-oriented curriculums.

Preserving Cultural Landscapes in America Feb 04 2021 Historic preservation efforts began with an emphasis on buildings, especially those associated with significant individuals, places or events. Subsequent efforts were expanded to include vernacular architecture, but only in recent decades have preservationists begun shifting focus to the land itself. Cultural landscapes - such as farms, gardens, and urban parks - are now seen as projects worthy of the preservationist's attention.

Psychopathology Apr 18 2022 The fourth edition of *Psychopathology* is the most up-to-date text about the etiology and treatment of the most important psychological disorders. Intended for first-year graduate students in clinical psychology, counseling psychology, and related programs, this new edition, revised to be consistent with the DSM-5, continues to focus on research and empirically-supported information while also challenging students to think critically. The first part of the book covers the key issues, ideas, and concepts in psychopathology, providing students with a set of conceptual tools that will help them read more thoroughly and critically the second half of the book, which focuses on specific disorders. Each chapter in the second and third sections provides a definition, description, and brief history of the disorder it discusses, and outlines theory and research on etiology and empirically-supported treatments. This edition also features a companion website hosting lecture slides, a testbank, an instructor's manual, case studies and exercises, and more.

Understanding Contemporary Brazil Nov 25 2022 Brazil has famously been called a country of contradictions. It is a place where narratives of "racial democracy" exist in the face of stark inequalities, and where the natural environment is celebrated as a point of national pride, but at the same time is exploited at alarming rates. To people on the outside looking in, these contradictions seem hard to explain. *Understanding Contemporary Brazil* tackles these problems head-on, providing the perfect critical introduction to Brazil's ongoing social, political, economic, and cultural complexities. Key topics include: • National identity and political structure. • Economic development, environmental contexts, and social policy. • Urban issues and public security. • Debates over culture, race, gender, and spirituality. • Social inequality, protest, and social movements. • Foreign diplomacy and international engagement. By considering more broadly the historical, political economic, and socio-cultural roots of Brazil's internal dynamics, this interdisciplinary book equips readers with the contextual understanding and critical insight necessary to explore this fascinating country. Written by renowned authors at one of the world's most important centers for the study of Brazil, *Understanding Contemporary Brazil* is ideal for university students and researchers, yet also accessible to any reader looking to learn more about one of the world's largest and most significant countries.

Understanding Contemporary Asia Pacific Dec 02 2020

Understanding Representation Aug 22 2022 "This is an extraordinarily lucid book. I am not sure that there is anyone who can do this

sort of thing better than Jen Webb. It is a gift to students; extremely accessible yet complex and sophisticated in its treatment of theories and concepts of representation." - Jim McGuigan, Loughborough University Understanding Representation offers a contemporary, coherent and genuinely interdisciplinary introduction to the concept of representation. Drawing together the full range of ideas, practices, techniques and disciplines associated with the subject, this book locates them in a historical context, presents them in a readable fashion, and shows their relevance to everyday life in an engaging and accessible manner. Readers will be shown how to develop a sophisticated attitude to meaning, and understand the relationship to truth and identity that is brought into focus by communicative practices. With chapters on linguistic and political representation, art and media, and philosophical and cognitive approaches, this book: Guides readers through complex theoretical terrain with a highly readable and refreshing writing style. Explains the techniques and perspectives offered by semiotics, discourse analysis, poetics, politics, narratology, visual culture, cognitive theory, performance theory and theories of embodied subjectivity. Covers the new ideas and practices that have emerged since the work of Barthes, Eco and Foucault - especially communication and meaning-making in the digital environment, and the new paradigms of understanding associated with cognitive theories of identity and language. Teaches readers how to interpret and interrogate the world of signs in which they live. Understanding Representation provides students across the social sciences and humanities with an invaluable introduction to what is meant by 'representation'.

Understanding the High-functioning Alcoholic Mar 05 2021 With a focus on recovery and treatment, this volume identifies the characteristics, behaviors, and experiences of the high-functioning alcoholic and highlights the struggles of those who cannot control their drinking even as they succeed in other areas of their lives.

Parenting Matters Nov 20 2019 Decades of research have demonstrated that the parent-child dyad and the environment of the family—“which includes all primary caregivers”—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Understanding the Contemporary Middle East Feb 16 2022 The fourth edition of Understanding the Contemporary Middle East has been fully revised and updated throughout to reflect the still-unfolding impact of the Arab Spring, the changing international environment, the impasse in the Israeli-Palestinian conflict, and much more. The book also includes an entirely new chapter on the role of women in the Middle East. Maps, photographs, and details of basic political data enhance the text, widely acknowledged as the best available introduction to the region.

Understanding Contemporary Ireland Jul 09 2021 Thirty years ago the Irish State embarked on a programme of development which rapidly transformed the economy and with it Irish society. This book is about that transformation and its effects. In particular, it focuses on the relationship between the policies pursued by the State and the class structure of Ireland. It argues that, despite promises of general prosperity, the benefits of Ireland's economic development have been very unevenly distributed, leading to a growing polarisation between social classes.

Shifting the Center: Understanding Contemporary Families Feb 28 2023 This anthology explores the issues and diversity of contemporary families, presenting balanced coverage of racial and ethnic variation and discussing a wide variety of family arrangements and processes. 32 out of the 50 selections included are new to this edition.

From “the Ukraine” to Ukraine Aug 30 2020 The contributors to this collection explore the multidimensional transformation of independent Ukraine and deal with her politics, society, private sector, identity, arts, religions, media, and democracy. Each chapter reflects the up-to-date research in its sub-discipline, is styled for use in seminars, and includes a bibliography as well as a recommended reading list. These studies illustrate the deep changes, yet, at the same time, staggering continuity in Ukraine's post-Soviet development as well as various counter-reactions to it. All nine chapters are jointly written by two co-authors, one Ukrainian and one Western, who respond here to recent needs in international higher education. The volume's contributors include, apart from the editors: Margarita M. Balmaceda (Seton Hall University), Oksana Barshynova (Ukrainian National Arts Museum), Tymofii Brik (Kyiv School of Economics), José Casanova (Georgetown University), Diana Dutsyk (Kyiv-Mohyla Academy), Marta Dyczok (University of Western Ontario), Hennadii Korzhov (Kyiv Polytechnic Institute), Serhiy Kudelia (Baylor University), Pavlo Kutuev (Kyiv Polytechnic Institute), Olena Martynyuk (Columbia University), Oksana Mikheieva (Ukrainian Catholic University), Tymofii Mylovanov (University of Pittsburgh), Andrian Prokip (Ukrainian Institute for the Future), Oxana Shevel (Tufts University), Ilona Sologoub (Kyiv School of Economics), Maksym Yenin (Kyiv Polytechnic Institute), and Yuliya Yurchenko (University of Greenwich).

Understanding Julian Barnes Jul 21 2022 Assesses the divergent works of a daring English writer.

Understanding the Contemporary Middle East Sep 23 2022 The third edition of Understanding the Contemporary Middle East includes two entirely new chapters, one on religion and politics and one on the economies of the Middle East, as well as a greatly expanded discussion of the 2003 invasion of Iraq. In addition, all of the chapters have been fully updated. Maps, photographs, and

tables of basic political data enhance the text, which has already made its place as the best available introduction to the region.

Augustine Our Contemporary Mar 25 2020 In the massive literature on the idea of the self, the Augustinian influence has often played a central role. The volume *Augustine Our Contemporary*, starting from the compelling first essay by David W. Tracy, addresses this influence from the Middle Ages to modernity and from a rich variety of perspectives, including theology, philosophy, history, and literary studies. The collected essays in this volume all engage Augustine and the Augustinian legacy on notions of selfhood, interiority, and personal identity. Written by prominent scholars, the essays demonstrate a connecting thread: Augustine is a thinker who has proven his contemporaneity in Western thought time and time again. He has been "the contemporary" of thinkers ranging from Eriugena to Luther to Walter Benjamin and Jacques Derrida. His influence has been dominant in certain eras, and in others he has left traces and fragments that, when stitched together, create a unique impression of the "presentness" of Christian selfhood. As a whole, *Augustine Our Contemporary* sheds relevant new light on the continuity of the Western Christian tradition. This volume will interest academics and students of philosophy, political theory, and religion, as well as scholars of postmodernism and Augustine. Contributors: Susan E. Schreiner, David W. Tracy, Bernard McGinn, Vincent Carraud, Willemien Otten, Adriaan T. Peperzak, David C. Steinmetz, Jean-Luc Marion, W. Clark Gilpin, William Schweiker, Franklin I. Gamwell, Jean Bethke Elshtain, Fred Lawrence, and Françoise Meltzer.

Red Island House Dec 22 2019 From National Book Award–nominated writer Andrea Lee comes *Red Island House*, a travel epic that opens a window on the mysterious African island of Madagascar, and on the dangers of life and love in paradise, as seen through the eyes of a Black American heroine. "People do mysterious things when they think they have found paradise," reflects Shay, the heroine of *Red Island House*. When Shay, an intrepid Black American professor, marries Senna, a brash Italian businessman, she doesn't imagine that her life's greatest adventure will carry her far beyond their home in Milan: to an idyllic stretch of beach in Madagascar where Senna builds a flamboyant vacation villa. Before she knows it, she becomes the reluctant mistress of a sprawling household, caught between her privileged American upbringing and her connection to the continent of her ancestors. So begins Shay's journey into the heart of a remote African country. Can she keep her identity and her marriage intact amid the wild beauty and the lingering colonial sins of this mysterious world that both captivates and destroys foreigners? A mesmerizing, powerful tale of travel and self-discovery that evokes Isabel Allende's *House of the Spirits* and Chimamanda Ngozi Adichie's *Americanah*, *Red Island House* showcases an extraordinary literary voice and gorgeously depicts a lush and unknown world.

Sociology of Families Feb 22 2020 *Sociology of Families: Change, Continuity, and Diversity* offers students an engaging introduction to sociological thinking about contemporary families in the United States. By incorporating discussions of diversity and inequality into every chapter, author Teresa Ciabattari highlights how structures of inequality based on social divisions such as gender, race, and sexuality shape the institution of the family. The Second Edition has been updated to include the most recent data and statistics, expanded coverage of childhood and parenting, and a new chapter on family violence. Included with this text The online resources for your text are available via the password-protected Instructor Resource Site. Learn more.

Understanding Contemporary Africa Apr 25 2020 The sixth edition of *Understanding Contemporary Africa*, and the first under the editorship of Peter Schraeder, combines the historic strengths of the previous editions with coverage of new topics suggested over the years by the many instructors who regularly assign the text in their classes. Entirely new chapters on the politics of public health, the changing role of women, and LGBTQ rights, along with new treatments of such classic topics as geography, history, politics, economics, international relations, kinship, religion, and more, make for an unparalleled introduction to the complexities of Africa today.

Understanding Sam Shepard Mar 17 2022 *Understanding Sam Shepard* investigates the notoriously complex and confusing dramatic world of Sam Shepard, one of America's most prolific, thoughtful, and challenging contemporary playwrights. During his nearly fifty-year career as a writer, actor, director, and producer, Shepard has consistently focused his work on the ever-changing American cultural landscape. James A. Crank's comprehensive study of Shepard offers scholars and students of the dramatist a means of understanding Shepard's frequent experimentation with language, setting, characters, and theme. Beginning with a brief biography of Shepard, Crank shows how experiences in Shepard's life eventually resonate in his work by exploring the major themes, unique style, and history of Shepard's productions. Focusing first on Shepard's early plays, which showcase highly experimental, frenetic explorations of fractured worlds, Crank discusses how the techniques from these works evolve and translate into the major works in his "family trilogy": *Curse of the Starving Class*, the Pulitzer Prize–winning *Buried Child*, and *True West*. Shepard often uses elements from his past—his relationship with his father, his struggle for control within the family, and the breakdown of the suburban American dream—as major starting points in his plays. Shepard is a recipient of a Pulitzer Prize for Drama, eleven Obie Awards, and a Chicago Tribune Literary Prize for Lifetime Achievement. Augmented with an extensive bibliography, *Understanding Sam Shepard* is an ideal point of entrance into complex and compelling dramas of this acclaimed playwright.

Understanding Contemporary Education Aug 10 2021 *Understanding Contemporary Education* offers an essential exploration of key concepts and issues in education that will allow education studies students, as well as trainee and practising teachers to engage in reflection, not only on work at the classroom level, but on education more broadly. Using detailed examples, the book problematises many popular and taken-for-granted views, allowing the reader to challenge and seriously consider the nature of the education enterprise. In each chapter, a concept is carefully considered, with major features, controversies, and strengths and weaknesses highlighted. Key follow-up questions challenge the reader to reflect on specific issues, and encourage involvement, not just in their own teaching, but in the planning and determination of the total programme of their school, and where possible, that of the nation. The book is divided into seven main parts: The Social Context of Education Education Policy Curriculum Teaching and Learning Leadership in Education Teacher Preparation International Developments in Education. Drawing upon a wide variety of theoretical positions, *Understanding Contemporary Education* provides an accessible introduction to key themes and concepts in education, challenging readers to fully consider the purpose of education and to reflect intelligently on issues that affect all schools. It is a must-read book for those on education studies courses, as well as trainee and practising teachers.

Understanding Contemporary India May 27 2020

The Korean Mind Jun 08 2021 *Understanding a people and their culture through code words and language. Today, South Korea is an economic, technological and entertainment superpower. How, as a country, did they rebound from war, poverty and political unrest?*

And how can that success be replicated in other cultures? The answers can, in fact, be found by understanding Korean customs, values and beliefs. Author Boye Lafayette De Mente identifies the unique qualities that comprise the Korean identity and articulates their modern expressions of Korean culture and history in this book. Organized alphabetically by topic, De Mente explains the critical cultural code words that make Korea the country it is today. Anyone interested in Korean etiquette, whether for travel or work, will discover that their meanings extend far beyond superficial English translations to deeper interpretations. Cultural code words include: Aboji, Ah-boh-jee — The "Father Culture" Anae, Ah-negh — Wives: The Inside People Han Yak, Hahn Yahk — The Herbal Way to Health Innae, Een-nay — A Culture of Enduring Katun Sosuy Pap, Kaht-unn Soh-suut Pahp — Eating from the Same Rice Bowl And over 200 more... This in-depth discussion covers the concepts and principles that are integral to the Korean way of life and provides all the Korean history and insight necessary for those readers eager to learn the secrets of this resilient and burgeoning, yet little-understood nation.

Understanding Behavior Disorders Jan 03 2021 Because traditional behaviorism overlooked function-altering behavior processes that are critical to understanding many behavior disorders, other theoretical models took the lead in the explanation of pathological human behavior. Current trends in behavior analysis, however, account for these processes, retuning behavior analysis to a strong position in this area of research. This book presents a cogent and comprehensive theory of behavior disorders from a behavior analytic perspective.

Born Translated Jan 23 2020 As a growing number of contemporary novelists write for publication in multiple languages, the genre's form and aims are shifting. Born-translated novels include passages that appear to be written in different tongues, narrators who speak to foreign audiences, and other visual and formal techniques that treat translation as a medium rather than as an afterthought. These strategies challenge the global dominance of English, complicate "native" readership, and protect creative works against misinterpretation as they circulate. They have also given rise to a new form of writing that confounds traditional models of literary history and political community. Born Translated builds a much-needed framework for understanding translation's effect on fictional works, as well as digital art, avant-garde magazines, literary anthologies, and visual media. Artists and novelists discussed include J. M. Coetzee, Junot Díaz, Jonathan Safran Foer, Mohsin Hamid, Kazuo Ishiguro, Jamaica Kincaid, Ben Lerner, China Miéville, David Mitchell, Walter Mosley, Caryl Phillips, Adam Thirlwell, Amy Waldman, and Young-hae Chang Heavy Industries. The book understands that contemporary literature begins at once in many places, engaging in a new type of social embeddedness and political solidarity. It recasts literary history as a series of convergences and departures and, by elevating the status of "born-translated" works, redefines common conceptions of author, reader, and nation.

Unequal Treatment Nov 01 2020 Racial and ethnic disparities in health care are known to reflect access to care and other issues that arise from differing socioeconomic conditions. There is, however, increasing evidence that even after such differences are accounted for, race and ethnicity remain significant predictors of the quality of health care received. In Unequal Treatment, a panel of experts documents this evidence and explores how persons of color experience the health care environment. The book examines how disparities in treatment may arise in health care systems and looks at aspects of the clinical encounter that may contribute to such disparities. Patients' and providers' attitudes, expectations, and behavior are analyzed. How to intervene? Unequal Treatment offers recommendations for improvements in medical care financing, allocation of care, availability of language translation, community-based care, and other arenas. The committee highlights the potential of cross-cultural education to improve provider-patient communication and offers a detailed look at how to integrate cross-cultural learning within the health professions. The book concludes with recommendations for data collection and research initiatives. Unequal Treatment will be vitally important to health care policymakers, administrators, providers, educators, and students as well as advocates for people of color.

Understanding Cormac McCarthy Jun 27 2020 Named by Harold Bloom as one of the most significant American novelists of our time, Cormac McCarthy has been honored with the National Book Award and the National Book Critics Circle Award for *All the Pretty Horses*, the James Tait Black Memorial Prize and the Pulitzer Prize for *The Road*, and the coveted MacArthur Fellowship. In *Understanding Cormac McCarthy* Steven Frye offers a comprehensive treatment of McCarthy's fiction to date, dealing with the author's aesthetic and thematic concerns, his philosophical and religious influences, and his participation in Western literary traditions. Frye provides extensive readings of each novel, charting the trajectory of McCarthy's development as a writer who invigorates literary culture both past and present through a blend of participation, influence, and aesthetic transformation. He explores the early works of the Tennessee period in the context of the romance genre, the southern gothic, and the grotesque. A chapter is devoted to *Blood Meridian*, a novel that marks McCarthy's transition to the West and his full recognition as a major force in American letters. Frye also explores McCarthy's Border Trilogy and his later works—specifically *No Country for Old Men* and *The Road*—addressing the manner in which McCarthy's preoccupation with violence and human depravity exists alongside a perpetual search for meaning, purpose, and value.

Shifting the Center Jan 27 2023 This anthology explores the issues and diversity of contemporary families, presenting balanced coverage of racial and ethnic variation and discussing a wide variety of family arrangements and processes. 32 out of the 50 selections included are new to this edition.

The Japanese Mind Nov 13 2021 A collection of essays that provide insight into Japanese culture. This book is a great buy for anyone interested in Japan.

Shifting the Center Dec 26 2022 *Shifting the Center: Understanding Contemporary Families, Sixth Edition* is a popular anthology of readings used in Sociology of Family and of Marriages/Families/Intimate Relationship courses. Editor Susan J. Ferguson brings together carefully selected pieces written by leading family researchers and drawn from a variety of scholarly sources, including articles from the leading family journals and excerpts from several classic book-length studies. She also provides background and context to help students connect the topics in the readings to the broader themes in the study of family sociology. The table of contents follows the same scope and sequence as the leading family survey texts. Included with this title: LMS Cartridge: Import this title's instructor resources into your school's learning management system (LMS) and save time. Don't use an LMS? You can still access all of the same online resources for this title via the password-protected Instructor Resource Site. Learn more.

Restoring Women's History Through Historic Preservation Sep 11 2021 This essay collection draws upon work presented at three national conferences on women and historic preservation held at Bryn Mawr College in 1994, Arizona State University in 1997, and at

Mount Vernon College in 2000.

A History of Contemporary Praise & Worship Dec 14 2021 New forms of worship have transformed the face of the American church over the past fifty years. Drawing on a wide range of primary sources, including interviews with dozens of important stakeholders and key players, this volume by two worship experts offers the first comprehensive history of Contemporary Praise & Worship. The authors provide insight into where this phenomenon began and how it reshaped the Protestant church. They also emphasize the span of denominational, regional, and ethnic expressions of contemporary worship.

Understanding Contemporary Ireland Oct 12 2021 This book provides a detailed, student-friendly overview of Ireland in the twenty first century and the remarkable economic and social transformations that have occurred since the late 1980s. The "Celtic Tiger" phenomenon has made Ireland the focus of much attention in recent years. Other countries have openly declared that they want to follow the Irish economic and social model. Yet there is no book that gives a comprehensive, spatially-informed analysis of the Irish experience. This book fills that gap. Divided into four parts -- planning and development, the economy, the political landscape, and population and social issues -- the chapters provide an explanation of a particular aspect of Ireland and Irish life accompanied by illustrative material. In particular, the authors reveal how the transformations that have occurred are uneven and unequal in their effects across the country and highlight the challenges now facing Irish society and policy-makers. Written by experts in the field, it is a key text for those wishing to understand the contemporary Irish economic and social landscape.

Understanding Jewish Holidays and Customs Apr 06 2021 Poetry. LGBT Studies. "A work of rich clear sensual language, of 'thermal tremble and juice,' these poems and photos pull the weaver's threads together, bring focus to 'wherein we can be a root to the sea.' Sinewy lines are constantly 'quoting my biology back to me as vow' and display a 'multi-creative musculature' we desperately need and desire. j/j is the real deal, reclaiming a space for engendered anarchy, opening Pandora's secret treasure trove, playing with fire, sound and love"—Anne Waldman.

Understanding Contemporary American Conservatism Jan 15 2022 Contemporary American conservatism – a mélange of ideas, people, and organizations – is difficult to define; even conservatives themselves are unable to agree about its essential meaning. Yet the conservative movement is well financed, exerts strong influence in the Republican Party, inspires followers throughout the land, and has spawned a network of think tanks and media outlets that are the envy of its competitors. It is a powerful political force with which to be reckoned. This book examines how that has come about and what contemporary conservatism signifies for US politics and policy. It looks at the recent history of conservatism in America as well as its antecedents in the UK, traces changes over time using American National Election Study data from 1972 to the present in what it means when people say they are conservatives, and assesses the prospects for American conservatism, both in the near term electoral context and over the longer term as well.

Understanding Contemporary Ethiopia Oct 24 2022 "Seeks to dispel the myths and clichés surrounding contemporary perceptions of Ethiopia by providing a rare overview of the country's recent history, politics and culture. Explores the unique features of this often misrepresented country as it strives to make itself heard in the modern world"-- Publisher description.

Japanese Mind May 19 2022 In *The Japanese Mind*, Roger Davies offers Westerners an invaluable key to the unique aspects of Japanese culture. Readers of this book will gain a clear understanding of what makes the Japanese, and their society, tick. Among the topics explored: *aimai* (ambiguity), *amae* (dependence upon others' benevolence), *amakudari* (the nation's descent from heaven), *chinmoku* (silence in communication), *gambari* (perseverance), *giri* (social obligation), *haragei* (literally, "belly art"; implicit, unspoken communication), *kenkyo* (the appearance of modesty), *sempai-kohai* (seniority), *wabi-sabi* (simplicity and elegance), and *zoto* (gift giving), as well as discussions of child-rearing, personal space, and the roles of women in Japanese society. It includes discussion topics and questions after each chapter. All in all, this book is an easy-to-use introduction to the distinguishing characteristics of Japanese society; an invaluable resource for anyone—business people, travelers, or students—perfect for course adoption, but also for anyone interested in Japanese culture. Next in this series: Now available separately, *Japanese Culture: The Religious and Philosophical Foundations* is a fascinating journey through Japan's rich cultural history.

Design for a Contemporary World Oct 20 2019 Design plays a significant role in environmental, ethical, economic and cultural arenas, and contributes to people's wealth, cultural identity and quality of life. This textbook presents the theory and practice of design fundamentals. It offers learning objectives that develop motivation, creative spirit, and cognitive strategies among students.

Advertising in Contemporary Society Jul 29 2020 Why are critics upset about advertising? And why are its practitioners so defensive? Revised and extensively updated, this edition of the classic *Advertising in Contemporary Society* offers unique perspectives that will help the reader understand how and why the controversial American phenomenon of advertising generates so much heat and--though much of it is passive--so much acceptance.
