Signifyin(g), Sanctifyin' & Slam Dunking May 10 2022 Observers of American society have long noted the distinctive contribution of African Americans to the nation's cultural life. We find references to African American music and dance, black forms of oral expression, even a black style of playing basketball. But what do such terms really mean? Is it legitimate to talk about a distinct African American aesthetic, or is it simply a vestige of an outmoded racial essentialism? What makes a particular form of cultural expression black, other than the fact that some African Americans may practice it?

**The Blessings of Obedience** Feb 24 2021 Connect with God Obedience is not the most popular word in our vocabulary. We live in a society that is constantly battling the system, fighting for what we want. We're primarily concerned with how the rules inconvenience us, and we're looking to see what we can get away with. Obedience is much more than following rules; it's a state of the heart. By missing this truth, we miss the power of complete obedience. Discover how obedience to God's plan will put you in the center of His will! Andrew Murray explores the love behind God's demands and the grace that makes it possible for us to obey. The blessing of complete obedience is your intimate connection with a loving, protective heavenly Father who desires more than anything to give you a rich and fulfilling life.

**Ten Dumb Things Smart Christians Believe** Apr 28 2021 In this delightfully personal and practical book, respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous. People don't set out to build their faith upon myths and spiritual urban legends. But somehow such falsehoods keep showing up in the way that many Christians think about life and God. These goofy ideas and beliefs are assumed by millions to be rock-solid truth... until life proves they're not. The sad result is often a spiritual disaster: confusion, feelings of betrayal, a distrust of Scripture, loss of faith, anger toward both the church and God. But it doesn't have to be so. Respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous, including: • Faith can fix anything • God brings good luck • Forgiving means forgetting • Everything happens for a reason • A godly home guarantees good kids Get ready to be shocked, relieved, and inspired in the

pages of Ten Dumb Things Smart Christians Believe. Because the truth is meant to set us free—not hurt us.

**Relentless** May 18 2020 Flee or Fight? You experience adversity. You know what it is like to endure hardship. You hold on, buckle down, and ride the wave of bad fortune, praying you will make it out alive. You just do what it takes to survive. But what if these trials had the raw potential to change your life? What if the challenges you face could propel you to the next level of faith and maturity? What if you were designed to thrive in adversity, not merely “get by?” John Bevere wants to take you on a journey to unlock your tenacity. As he recounts the stories of Jesus and John the Baptist, as well as those of many contemporary believers, he presents a powerful pattern: These pillars of faith do not just hang on and survive troubles. They look adversity in the face and stare it down. Armed with the truth in the Word and the power of prayer, you, too, can join the determined ranks of the army of God. Will you fight relentlessly? Learn today how to fight, never give up, and enjoy all God has for you. “John Bevere has a mandate on his life to serve the body of Christ. His desire to see everyone find and flourish in their God-given destiny is evident in his teachings. His love for Christ and deep revelation of the Word of God will have you pursuing the cause of Christ, relentlessly.” --Brian and Bobbie Houston, senior pastors, Hillsong Church

**The Heart: The Key to Everything in the Christian Life** Dec 17 2022 We need to recover a truth that has been all but lost in modern-day Christianity. It has been buried for too long, and it is too valuable to be forgotten. This life-changing truth is that the heart is the key to everything in the Christian life. The heart is the wellspring of all our actions, emotions, motives, and character. Everything we are, everything we say, and everything we do flows directly from the heart. In *The Heart-The Key to Everything in the Christian Life*, believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world. The heart is the key to our service and obedience to the Father. The heart is the key to the purity and depth of our worship, praise, and love of God. It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us.

*The Cambridge Companion to Twenty-First-Century American Poetry* Oct 15 2022 A new poetic century demands a new set of approaches. This Companion shows that American poetry of the twenty-first century, while having important continuities with the poetry of the previous century, takes place in new modes and contexts that require new critical paradigms. Offering a comprehensive introduction to studying the poetry of the new century, this collection highlights the new, multiple centers of gravity that characterize American poetry today. Essays on African American, Asian American, Latinx, and Indigenous poetries respond to the centrality of issues of race and indigeneity in contemporary American discourse. Other essays explore poetry and feminism, poetry and disability, and queer poetics. The environment, capitalism, and war emerge as poetic preoccupations, alongside a range of styles from spoken word to the avant-garde, and an examination of poetry's place in the creative writing era.

**Drawing Near** Nov 23 2020 In *Drawing Near*, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice—just as we would practice anything we hope to improve—our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

**Colony War** Mar 28 2021 From the author of Colony One comes an action-packed sequel to the near-future conspiracy. An army of bots is roaming the space station — hijacked by a terrorist inside BlumBot International. The bots share a hive mind that learns and adapts, making them the most deadly adversaries Jonah has ever faced. Jonah and Maggie are prepared to fight alongside the Space Force, but how can they defeat an army that never eats, never sleeps, and never grows tired? To protect the colony, they must join forces with Tripp Van de Graaf — the cocky young executive with dimples for days. Tripp makes no effort to hide his attraction toward Maggie, and Jonah hates him instantly. But Tripp's company holds the key to defeating the bots: their human creator, Ziva Blum. When Maggie, Tripp, and Jonah learn that more humanoids are hibernating on Earth, they must race to stop a madman bent on destruction and save the world from a robot apocalypse. \*\*\* KEYWORDS: best science fiction, sci fi, adventure stories, space opera, military sci fi, space marine, military science fiction, space force, action and adventure, robots, AI, artificial intelligence evil robots, space station, space colony, colonization, free space opera, free military science fiction, free military sci fi, sci fi romance, spaceships, space travel, sci fi books that are free, read ebooks for free, stories to read online free, google books free to read, evil corporation, strong female lead, female protagonist, slow-burn romance, near-future technology

**Access Denied** Jan 18 2023 Access Denied follows a woman's lifelong transformation from a small girl escaping a life destined for crime, ignorance, and generational poverty and abuse to a successful adult. Her story grants the reader an insider's look at America's foster care system and its impact on a child's entire life. She shares her real-life experiences through the innocence of childhood to the confused and insecure adolescence to the instability of adulthood. Eventually, her negative experiences are overcome by her persistence to become a well-educated, compassionate adult fighting for the rights of America's abused and neglected children. The major themes within Access Denied have specific solutions included at the end of the book, giving every reader the opportunity to join Dr. Reddick's campaign to save, rather than store America's foster children. Dr. Reddick's campaign can be followed at [www.saveus2.com](http://www.saveus2.com) or on Facebook.

**The Dark Triad: How the Psychopaths Took Control** Oct 11 2019 The world is not ruled by wise

and benevolent people. The opposite is true. Humanity is ruled by the psychopathic, the narcissistic and the Machiavellian – the malevolent Dark Triad. For humanity to progress, it needs to learn how to beat these people, how to identify them early and stop them getting to the top. The Dark Triad types are always entropic and extreme individualists (they are all-consumingly selfish and care exclusively about themselves). We need to get the Light Triad to the top – the Compassionate and Empathic (the opposite of psychopaths); the Altruistic (those who care about others, hence aren't self-obsessed like the narcissists); and the Philosopher Kings and Queens (the opposite of the Machiavellians, who are Sophists who only ever calculate what is personally advantageous to them). Plato, in the Republic, set out how to avoid the Dark Triad from ever reaching power. In his system, only the wisest were allowed to lead. No nation in history has ever implemented Plato's supremely enlightened and progressive ideas. Funny that.

**A Heart Ablaze** Jul 12 2022 God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still...to tremble on Mt. Zion...transformed to touch others.

**The Elderon Chronicles (Books 1-3)** Oct 23 2020 The biggest story of Maggie's career will place her in the crosshairs of an all-out war. Maggie Barnes is at the end of her rope. She's young and broke living in New York, and her newspaper job has been taken over by robots. When she pisses off a playboy tech billionaire, she's mysteriously offered a position aboard the first civilian space colony. Maggie thinks it's her lucky break — a once-in-a-lifetime opportunity. For Jonah Wyatt, the Space Force is his last shot at a military career. After years of tracking down members of a deadly cyberterrorism ring, he was discharged from the army and stuck working one demeaning job after another. Now this disgraced combat specialist is headed to space. At first glance, Elderon seems to be a futuristic utopia: Bots do the laundry, meat comes from a lab, and the latest technology expands the scope of human capability. But as Maggie digs deeper, she realizes that Elderon is not at all what it seems. When she receives a tip from an unknown source, she'll go undercover and learn a truth that could put her life in jeopardy. If you enjoy blistering action, near-future technology, sassy heroines, and reluctant heroes, you'll love this fast-paced three-book collection. **Contemporary Women Playwrights** May 30 2021 Breaking new ground in this century, this wide-ranging collection of essays is the first of its kind to address the work of contemporary international women playwrights. The book considers the work of established playwrights such as Caryl Churchill, Marie Clements, Lara Foot-Newton, Maria Irene Fornes, Sarah Kane, Lisa Kron, Young Jean Lee, Lynn Nottage, Suzan-Lori Parks, Djanet Sears, Caridad Svich, and Judith Thompson, but it also foregrounds important plays by many emerging writers. Divided into three sections—Histories, Conflicts, and Genres—the book explores such topics as the feminist history play, solo performance, transcultural dramaturgies, the identity play, the gendered terrain of war, and eco-drama, and encompasses work from the United States, Canada, Latin America, Oceania, South Africa, Egypt, and the United Kingdom. With contributions from leading international scholars and an introductory overview of the concerns and challenges facing women playwrights in this new century, *Contemporary Women Playwrights* explores the diversity and power of women's playwriting since 1990, highlighting key voices and examining crucial critical and theoretical developments within the field.

Not all universes are alike. Some might not be so easy to leave. That's the good news. This humorous sci-fi adventure is the first book of *The Other Universes* series.

**Robot Operating System (ROS)** Jan 06 2022 This book is the sixth volume of the successful book series on *Robot Operating System: The Complete Reference*. The objective of the book is to provide the reader with comprehensive coverage of the Robot Operating Systems (ROS) and the latest trends and contributed systems. ROS is currently considered as the primary development framework for robotics applications. There are seven chapters organized into three parts. Part I presents two chapters on the emerging ROS 2.0 framework; in particular, ROS 2.0 is become increasingly mature to be integrated into the industry. The first chapter from Amazon AWS deals with the challenges that ROS 2 developers will face as they transition their system to be commercial-grade. The second chapter deals with reactive programming for both ROS1 and ROS. In Part II, two chapters deal with advanced robotics, namely on the usage of robots in farms, and the second deals with platooning systems. Part III provides three chapters on ROS navigation. The first chapter deals with the use of deep learning for ROS navigation. The second chapter presents a detailed tuning guide on ROS navigation and the last chapter discusses SLAM for ROS applications. I believe that this book is a valuable companion for ROS users and developers to learn more ROS capabilities and features.

*The Poet X* Mar 16 2020 Winner of the National Book Award for Young People's Literature, the

Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times–bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” —Justina Ireland, author of *Dread Nation* “An incredibly potent debut.” —Jason Reynolds, author of the National Book Award Finalist *Ghost* “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. *Yesterday's Gone: Season Three* Dec 25 2020 The #1 bestselling horror/sci-fi series with over 1,000 5-star reviews continues here with *Yesterday's Gone: Season Three*. Who's afraid of *The Darkness*... The fight is on, and the surviving humans don't know if they're on the winning side. As they battle *The Darkness* and fight to find their way home, the future has never felt more uncertain. Will they survive, or will *The Darkness* finally overwhelm them? The past is revealed, and as the remaining survivors discover the truth behind the mysterious disappearances, they uncover a danger far greater than anything they ever imagined. In *Season Three of Yesterday's Gone* by Sean Platt and David W. Wright, the truth is finally yours. As this gripping post-apocalyptic series intensifies, your questions will be answered and new ones will arise. Elements of *The Stand* and *LOST*, with a dash of alien invasion, make this series one for the ages. ????? "The writing is fun and fast paced and really tweaks boundaries of genres, so it isn't easy to pigeon-hole as just a sci-fi book, or a horror book. There are lots of twists and turns and the plot keeps you guessing. Do yourself a favor and pick up *Yesterdays Gone*, and treat yourself to some great entertainment. You will not regret it." -- Fredrick Von Kindle ????? "This is an addicting series filled with great characters. I'm in the Love Boricio Wolfe camp. His profanity laced, rapid-fire speech

pattern is entertaining and sometimes downright laugh out loud funny. I assume the authors had fun creating him and his various incarnations." -- Robin Surface ????? "Everything comes to fruition in this season and while it may have a bit more dialogue and drama than the 1st two seasons. It uses them well and blends them perfectly with action scenes. By the end of the season you will be tearing through the pages to see what happens next. Season 4 cannot come soon enough." -- Matthew R ????? "I am a Goner. I loved it so much, that I have now bought everything I know Sean Platt & David Wright have written. All their other books are just as exciting. Like the Authors, I love Stephen King, The Walking Dead, Breaking Bad & Mad Men. The serial just keeps getting better." -- Lynda Nelson ????? "Luca and Boricio are my two favorite characters ever and seeing them unfold into this powerful season of Yesterday's Gone was exactly what I was hoping for! I couldn't put this Season down - but that's what I've come to expect from Platt and Wright and their work." -- Tania Dakka Join Team Boricio by Grabbing your copy of Yesterday's Gone today! **WARNING:** This is a post-apocalyptic horror story where bad people do evil things, and as such, this series features disturbing scenes and foul language. While it is all within the context of the story, some listeners may find this content offensive.

The Private Protectors Series Box Set Two Jan 26 2021 A Just Deception The Private Protectors Series, Book 4 Former Navy SEAL Peter Jessup is no hero. Too many friends, his brothers-in-arms, have died on the job, and Peter couldn't save them. When the emotional fallout interferes with his work, his boss sends him away for company-mandated R&R. Peter knows it's not a vacation, it's an order: Go home. Find a hot girl. Get your head straight. Two of those things should be easy. Until the hot girl becomes his next assignment... Isabelle DeRosa is no damsel in distress. A criminal attorney and Krav Maga expert, she can bring a man to his knees with a glare—or a well-placed kick. It's Isabelle's crippling fear of her cousin that sets off warning bells for Peter. When Kendrick is murdered, Isabelle becomes the police's prime suspect. She turns to Peter for help, but finds more than comfort in his arms. Isabelle sparks his protective instincts and fuels his every fantasy. But she's not the only one with secrets. Their investigation into Kendrick's killer leads them to a cult-like compound and into dangerous territory. And despite Isabelle's efforts to push him away, Peter will fight to keep her safe...and make her his.

**Relentless Pursuit** The Private Protectors Series, Book 5 For former Army Ranger Billy Tripp, high-stakes international ops are just another day at the office. So why is his boss at Taylor Security busting his chops with a rinky-dink assignment? One dumb mistake and—bam—Billy's playing rent-a-cop at a Miami hot spot while providing security detail for some fancy necklace. Piece. Of. Cake. Except the job comes with one major distraction: the killer curves of the woman in charge. Hotel heiress Kristen Dante thrives on work and has little time for play. Or men like Billy—sexy, impulsive, and too charming for his own good. Kristen may be a boss in the boardroom, but her confidence in the bedroom is no match for Billy's swagger. This guy is a heartbreak waiting to happen. Better to let him finish his job and be on his way. Too bad Billy never backs down from a challenge. Beneath Kristen's insecurities, he sees a spark of desire even she can't deny. And her heart isn't the only thing in danger. When half a million dollars' worth of cars are stolen from the hotel, Kristen needs Billy's skills to catch a thief. But the investigation reveals a threat far more sinister than car theft...and that threat could cost them both their lives.

**Opposing Forces** The Private Protectors Series, Book 6 She's the one temptation he didn't plan for. Jack Lynx has a strategy for just about everything, a talent that makes him well-suited to his V.P.

job at Taylor Security. It's also why he's waiting at least one year after kicking his post-surgery painkiller habit to even look at a woman. Unfortunately, fellow yoga enthusiast Jillian Murdoch needs him to install a security system at her home, and that's a problem because he wants to look at her. He wants to do much more than that. Lynx's cravings for Jillian don't simply jeopardize his priorities—they threaten to become his worst addiction yet. He's the risk she's willing to take. Jillian is on the fast-track to her dream career in upper management at her pharmaceutical company... until a late-night office trip reveals a suspicious delivery with no paperwork. After a break-in at her home, she approaches the first person she thinks can help—Jack Lynx, the guy with a killer smile from yoga class who also happens to specialize in protection. Soon, she's in a situation she swore she'd never repeat: fighting her burning attraction to trouble—and losing. But Jillian needs to trust Jack more than ever. Thanks to discovering that one stray shipment, it isn't just her career that's in danger anymore...

**Good Or God?** Jan 14 2020 These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

**The Cultural Politics of Slam Poetry** Sep 14 2022 "Finally, a clear, accurate, and thoroughly researched examination of slam poetry, a movement begun in 1984 by a mixed bag of nobody poets in Chicago. At conception, slam poetry espoused universal humanistic ideals and a broad spectrum of participants, and especially welcome is the book's analysis of how commercial marketing forces succeeded in narrowing public perception of slam to the factionalized politics of race and identity. The author's knowledge of American slam at the national level is solid and more authentic than many of the slammers who claim to be." ---Marc Kelly Smith, founder/creator of the International Poetry Slam movement The cultural phenomenon known as slam poetry was born some twenty years ago in white working-class Chicago barrooms. Since then, the raucous competitions have spread internationally, launching a number of annual tournaments, inspiring a generation of young poets, and spawning a commercial empire in which poetry and hip-hop merge. *The Cultural Politics of Slam Poetry* is the first critical book to take an in-depth look at slam, shedding light on the relationships that slam poets build with their audiences through race and identity performance and revealing how poets come to celebrate (and at times exploit) the politics of difference in American culture. With a special focus on African American poets, Susan B. A. Somers-Willett explores the pros and cons of identity representation in the commercial arena of spoken word poetry and, in doing so, situates slam within a history of verse performance, from blackface minstrelsy to Def Poetry. What's revealed is a race-based dynamic of authenticity lying at the heart of American culture. Rather than being mere reflections of culture, Somers-Willett argues, slams are culture---sites where identities and political values get publicly refigured and exchanged between poets and audiences. Susan B. A. Somers-Willett is a decade-long veteran of slam and holds a PhD in American Literature and an MA in creative writing from the University of Texas at Austin. She has taught at Carnegie Mellon University, the University of Illinois, and the University of Texas and is the author of two books of poetry, *Quiver* and *Roam*. Visit the author's website at:

**Intelligent Unmanned Air Vehicles Communications for Public Safety Networks** Nov 04 2021 This book provides a comprehensive overview of the potential use cases and intelligent technologies, UAV layered architectures, research findings, experimental results, and standardization for intelligent UAV communications for public safety networks. This book will cover the conventional non-intelligent and intelligent solutions specifically targeting UAV communications for public safety networks. Moreover, reconfigurable intelligent surface (RIS) has recently attracted researchers and academician attention because its ability improves the propagation environment and enhances communication quality by intelligently reflecting the received signals. Leveraging intelligence into RIS-assisted UAV communications will meet the requirements of the intelligent, green, and sustainable 5G and beyond cellular networks, which makes it a potential candidate to overcome the inherent drawbacks of legacy wireless systems. The topics covered in this book will be of interest to both the professionals and students. 3D UAV placements schemes, trajectory design, interference management schemes, reinforcement learning solutions for more intelligent and trained solutions, joint UAV trajectory and RIS's passive beamforming design, and various other related topics of readers' interest are presented in detail.
